Master Adi Amey Naik Gaunekar has selected from PM SHRI KV PONDA to be a part of a special student program YUVIKA organised by ISRO. He was selected and short listed through the Preliminary testes which was attempted by around 3 lakhs students and based on his performance in the previous class (IX) and his achievements in Olympiads and other programs like NCSE & Inspire. He was called to stay at VSSC (Vikram Sarabhai Space Centre Trivannatha Puram Kerala) from 12th May 2024 to 24th May 2024 wherein he attended lectures and Interactive Session with famous Scientists who had significantly contributed in

important space missions of INDIA such as Aditya-

L1, Candrayaan 1,2,3 and Mangalyaan. He also was fortunate enough to meet chairman ISRO, S Somnath. We command his achievement. It was an experience a lifetime for Master Adi Amey Naik Gaunekar
