

Coaching Camp in K.V. 4 Jaipur

A comprehensive sports camp designed for regional-level training is currently being held for both boys and girls. This camp focuses on honing skills and providing advanced practice across a variety of sports, including Football, Kabaddi, Athletics, Cricket, Badminton, Chess, and more. Participants will receive specialized coaching tailored to their respective sports, with the goal of enhancing their techniques, building teamwork, and preparing them for higher levels of competition. The camp also offers opportunities for young athletes to interact, learn new strategies, and develop their physical and mental strength under expert supervision.
