PRINCIPAL'S MESSAGE / प्राचार्य का संदेश

Mr. G. D. Meena
PRINCIPAL

It gives me immense pleasure to present before you "PM SHRI KENDRIYA VIDYALAYA, ALWAR", the NIPUN BHARAT newsletter for Term 2 of the academic year 2026-27.

This newsletter showcases all those activities of the primary section where in the students work together forming a beautiful Kaleidoscope. I take this opportunity to wish the Headmaster, primary teachers and students all the very best in all their future endeavours.

FROM HM'S DESK / प्रधानाध्यापक का संदेश

Mr. P. K. Jain
Head Master

NIPUN Bharat, a national mission on Foundational Literacy and Numeracy launched by the Ministry of Education in the light of NEP 2020, has set the targets for the holistic development of the child. One of the three main Lakshya's is to make children involved learners and kindle their imagination.

Children should be nurtured in an engaging manner, their bright colours should together form the fantastic pattern of the Kaleidoscope. This Newsletter is not only an attempt to showcase all those activities that help the little children to have the pleasure of experiential and joyful learning but also achieve another goal of NIPUN Bharat - to make them effective communicators.
