-2-

Sl. No.	Thrust Area	Major points
5	Grooming of new teacher	1. Newly joined teachers should be instilled with a sense that students' interest have a priority over their own.
6	Remedial learning of all class to achieve LO	1. Keep academic activities ahead of other priorities i.e. non-academic activities must be kept at bare minimum and be delegated to allied staff. 2. Remedial measures must start from class I and not for Class X and XII only. 3. Class supervision must be done as per KVS norms and be updated on PIMS portal which will also facilitate in the objective reporting of APAR of concerned teachers.
7	Flawless updating and submission of data:	1. Presently school are sending flawed data on different portals e.g. UDISE+, CBSE etc. 2. Principals/teachers are to be trained to submit flawless data within stipulated time. After proper verification and monitoring
8	Sports and Games	1. KVS has fixed a target of getting 100 medals in SGFI tournaments in 2024-25. As such, each school must target for one medal (Gold, Silver, Bronze) in Regional Sports and Games activities for the events in which they are to participate. 2. All schools shall inculcate in each student an abiding habit of playing at least one game every day for atleast half an hour.
9	Selection and participation in KVS Flagship programmes	1. The KVS flagship programmes aims to build in students strong learning and values and hence participation ought not to be just for the sake of participation 2. Selection at various levels should be apparently and actually be fair and transparent.

–3–

Sl. No.	Thrust Area	Major points
10	Learning Eco System	1. Each KV campus must create a vibrant learning eco system which has its impact transcending its physical boundary.
11	Integration of Skill Education	1. As informed skill education has been integrated within academic transaction and services of TGT(AE), TGT(WE), PRT(Music) alongwith others can be used for this purpose. 2. CBSE circulars can be referred in this regard

Alongwith the above, the month-wise calendar of Academic activities has been attached with the letter which must be strictly adhered to. During the Surprise/ Panel inspection, the progress and completion of month-wise activities will be scrutinized by the Inspecting Officer.

With best wishes

Yours faithfully

(Soma Ghosh)

Dy. Commissioner I/C
