

Bagless Day at KV No. 3 Srinagar

Bagless Day is an initiative celebrated at Kendriya Vidyalaya No. 3 Srinagar to provide students with a refreshing break from their regular academic routine. On this day, students are encouraged to come to school without their school bags, which traditionally contain textbooks and notebooks. The aim is to give students a break from their usual academic workload and engage them in creative, fun, and constructive activities.

On Bagless Day, students participate in a variety of activities such as arts and crafts, group discussions, outdoor games, nature walks, and interactive workshops. It's an opportunity for children to explore their interests, learn new skills, and enhance their social and emotional well-being outside the confines of their daily classroom tasks.

The teachers also plan different activities that foster teamwork, problem-solving, and creativity. The day is designed to promote learning in a more relaxed environment, allowing students to engage in activities that stimulate their imagination and help them develop other important life skills.

Bagless Day is a highly anticipated event at KV No. 3 Srinagar, as it gives students a chance to unwind and enjoy their time at school in a stress-free, enjoyable way. This day encourages the holistic development of students, making learning more dynamic and fun!
