VIDYANJALI

Vidyanjali is an initiative of Department of School Education and Literacy, Ministry of Education, for facilitating the community and volunteers to directly connect with the government and government-aided schools to contribute their services and/or assets/ materials/equipments through a dedicated port.

Through scholarships, Vidyanjali lends financial support to students who lack sufficient finances for completing their education. We believe that no student should drop-out of school due to financial constraints. This is the reason why we offer scholarships to deserving students.
