

## Vidyalaya Patrika

A school magazine, or vidyalaya patrika, is important for a school because it:

- **Encourages creativity:** Students can showcase their talents and explore their creative potential through writing, drawing, painting, and more.
- **Improves tastes:** Students can improve their tastes and become magazine-minded.
- **Builds pride:** Students feel proud when their articles are published in the magazine.
- **Educates the public:** The magazine informs the public about the school's curricular and co-curricular activities.
- **Distributes to the community:** The magazine can be distributed to senior citizens in the town.
