5. Admission in Balvatika will be done on the similar line as of class I, as mentioned above.
6. Last date for all fresh admission is extended to 31.08.2024 for the Academic Session 2024-25.

Further, while reallocating/redistributing the KV, the Deputy Commissioner of the concerned Region will ensure that the allotted KV, as far as possible, should be within 8 KM from the residence of the child to avoid any negative impact on her/his health due to such commutation. Sibling cases of KV TC should be allotted in the same KV.

Furthermore, all the KVs be asked to convey the parents waiting for admissions on the basis of KV TC in the current session that any future KV TC based admission shall be governed by the provisions contained in the extant Admission Guidelines.

These amendments be disseminated to all the stakeholders immediately.

This issues with the approval of competent authority.

Yours sincerely,

(Dr. P. Devakumar)

Joint Commissioner (Acad)
