Celebration of Tech-Divas under NEP-2020

PM SHRI K V CRPF GANDHINAGAR

26-07-2024, DAY-05

TO MAKE INFORMATION RICH SOCIETY THROUGH ICT

NEP 2020 recognizing the fact that Digital Technology can have a far-reaching impact on improving teaching learning and evaluation processes, supporting teacher preparation and professional development, enhancing educational access and planning.

Various activities are planned and conducted to celebrate the "**Tech-Divas under NEP-2020**" under the able guidance of Principal Dr. Mamta Singh with the team of teachers and enthusiastic students of the Vidyalaya.

Following activities are conducted:

- Activity1: Teacher Presentation

Mrs Namrata Shah, PGT(Computer Science) presented the session on "TO MAKE INFORMATION RICH SOCIETY THROUGH ICT". The session was very informative and interactive explaining the various aspect of Technology in the school, society and family. She has also explained a comprehensive initiative called PM e-VIDYA, Digital Infrastructure for Knowledge Sharing (DIKSHA), Swayam Portal, Swayam Prabha TV Channels, Online Coaching for Competitive Exams, Sathee Portal.

- Activity2: Student Presentation

Students of Class XII presented the sessions on IoT , EdTech and Virtual Reality to make the students aware of latest technological terms and their usage in daily lives.

- Activity3: Talk by Teacher

Dr Rahul Gaur, PGT(Bio) explained the students regarding internet and safety.

- Activity4: Highlight NEP 2020 focus on Technology by Primary Teachers in classrooms.

- Activity5: Student Activity

Projects presentation encouraging hands-on learning and technological exploration.

At last Principal Dr. Mamta Singh enriched the student's knowledge on various issues related to technology and cyber crime.
