Toy Van Visit: Learning Through Play

 **Objective:** To create a joyful, engaging, and experiential learning environment through play-based pedagogy while strengthening the NIPUN Bharat goals of Foundational Literacy and Numeracy (FLN).

The visit of the **Toy Van that was invited from Children's University, Gandhinagar** to PM SHRI Kendriya Vidyalaya CRPF Gandhinagar was an innovative educational initiative that transformed the school campus into a vibrant hub of exploration and discovery. Equipped with educational toys, puzzles, construction kits, language games, and mathematical learning materials, the Toy Van provided students with hands-on learning experiences that made classroom concepts more meaningful and enjoyable.

Collaborative Learning: Group activities promoted teamwork, communication, leadership, and social interaction, helping children learn from one another in a positive environment.

✿ **Engaging Learning:** Students actively participated in play-based activities that encouraged observation, experimentation, and problem-solving. Learning became interactive, enjoyable, and learner-centric.

Fostering Creativity: The diverse range of toys and games stimulated imagination, innovation, and creative expression. Students designed, built, explored, and shared ideas, thereby enhancing their creative thinking skills.

☀ Learning Outcomes:

- Enhanced student engagement and participation.
- Improved foundational literacy and numeracy skills.
- Development of creativity and critical thinking.
- Strengthened communication and collaboration abilities.
- Increased curiosity, confidence, and joy in learning.
- Promotion of experiential and activity-based learning as envisioned in NEP 2020.

✨ The Toy Van Visit successfully demonstrated that learning through play can make education more meaningful, inclusive, and enjoyable while helping students achieve the NIPUN Bharat learning goals.
