## Vidyanjali

Vidyanjali Portal is a government initiative that connects schools with volunteers, creating a platform for educational and extracurricular support. It allows individuals and organizations to contribute their time, skills, and resources to enhance the learning environment in schools.

At PM SHRI Kendriya Vidyalaya No.1 Sambalpur, Vidyanjali has been instrumental in fostering community engagement, enabling experts from various fields to mentor students, conduct workshops, and donate educational materials. This collaboration strengthens the school's mission to provide holistic education, encouraging active participation from the community in shaping the future of its students.
