INNOVATION

At PM SHRI Kendriya Vidyalaya No.1 Sambalpur, we have embraced an innovative practice by replacing the traditional distribution of chocolates on birthdays with the gifting of plant saplings and pens. This initiative not only promotes environmental awareness among students but also instills the value of sustainability and education. By encouraging the planting of saplings, we aim to foster a sense of responsibility towards nature, while distributing pens emphasizes the importance of knowledge and learning. This thoughtful gesture ensures that birthdays are celebrated in a meaningful way, contributing positively to both the environment and the academic spirit of our Vidyalaya.
