NEWS LETTER 2023-24

OUR MENTOR

DR. SHIHARAN BOSE

Hon'ble Deputy Commissioner
RO Bhubaneswar

From the Principal desk

Marching ahead with staunch principles to dispel illusions, ignorance and promoting acquisition of knowledge among masses, we are unfurling the flag of wisdom with dignity and pride. At the same time realising that the Gen Z- our young ones require information at the speed of light and proper guidance.

Our curricular and practices are consistently reviewed to ensure that we are following the most updated practices, meeting all regulations and addressing the future needs of our students. Our school consistently follows the current trends and after brainstorming over the best plan of action to incorporate those trends, we zero in on the ones that are most appropriate to our classrooms.

We explore the possibilities in every individual child, hone their skills and make them capable in pursuit of worthy skills in the service of the nation and humanity. Here comes the role of physical education, games and sports, co-curricular activities round the year and a joyful experiential learning system, wherein each child is encouraged to exhibit his latent talent.

There are only two lasting bequests we can long to give our children. One of these is roots and the other, wings. Roots are offered by our parents and wings are handed down by our School.

To conclude, PM SHRI Kendriya Vidyalaya INS Chilka is filled with possibilities. We shall continue to equip your child with the knowledge, skills and motivation to pursue their passions and explore their potentials to the optimum possible.
