99 तक की संख्याओं का घटाव कर लेते हैं।

कक्षा 3

9999 तक की संख्याएं पढ़ और लिख लेते हैं।  
सरल गुणा समस्याओं को हल कर लेते हैं।

विद्यालय के शत - प्रतिशत बच्चों द्वारा वर्ष 2026 - 27 तक यह लक्ष्य प्राप्त करना है

These goals focus on building a strong foundation in reading, writing, and numeracy skills, enabling students to succeed in higher classes and beyond.

- **Importance of NIPUN Bharat Mission**

1. Help children read with comprehension

2. Help children understand numbers, measurement and shapes

### 3. Use play and activity-based pedagogy

### 4. Teaching with art and craft

5. Provide high-quality teaching-learning material to engage children

## 6. Track children's learning levels consistently

## 7. Increase capabilities of Teachers and Educational Resource Persons

- **Objectives of Nipun Bharat Mission**

- A. By 2026-27, every Class 3 child should be able to read with understanding at a rate of at least 60 words per minute, read and write numbers up to 9999, and solve simple multiplication problems.
- B. By 2025, every child must have foundational literacy and numeracy skills at the primary level.
- C. The mission aims to reduce dropouts and increase the number of students who complete the primary, upper primary, and secondary stages.
- D. It envisions an enhanced education quality that ensures the holistic development of every child.
- E. Enhanced pedagogies in schools include creative assessments such as quizzes, games, polls, etc., and activities like music, rhyme, drama, etc., for learning purposes.
