BALVATIKA-3
REPORT 26-27

KENDRIYA VIDYALAYA,
RAJKOT

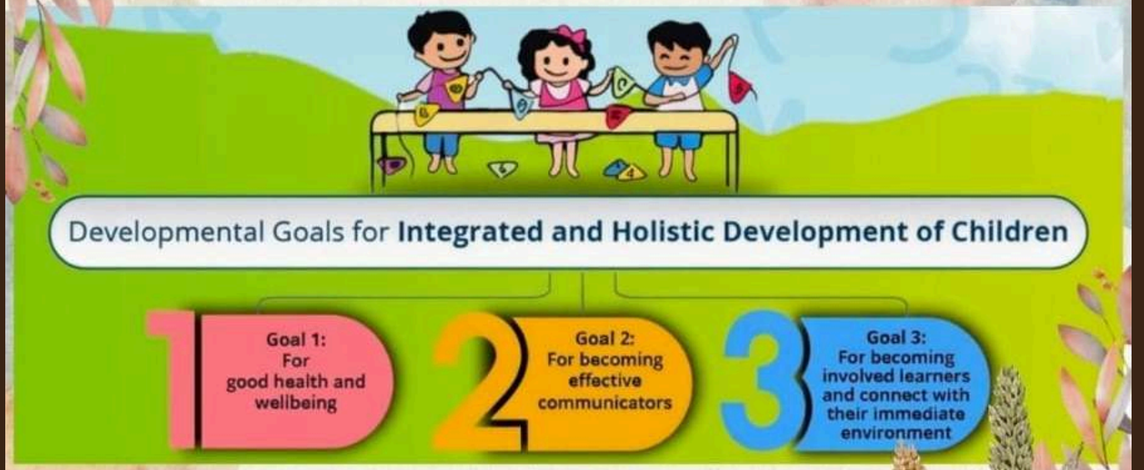

ABOUT BALVATIKA

INTRODUCTION TO BALVATIKA

The Balvatika programme is envisaged as a one-year programme before Grade 1 which is meant to prepare children with cognitive and linguistic Competencies that are prerequisites for learning to read, write and develop number sense through a play-based approach.

DEVELOPMENTAL GOALS

MOTOR SKILL ACTIVITIES

“MOTOR SKILLS ARE BROKEN UP INTO TWO CATEGORIES: GROSS MOTOR SKILLS AND FINE MOTOR SKILLS. MASTERING BOTH ARE IMPORTANT FOR CHILDREN’S GROWTH AND INDEPENDENCE.

Motor skills milestones—4 to 18 months[1]

Sits without help

4–9 months

Stands with help

5–11 months

Crawls on hands and knees

5–13 months

Walks with help

Stands alone

7–17 months

Walks alone

8–18 months

Yellow Colour Day

Yellow Colour Day is a fun day to celebrate the bright and happy colour yellow. We wear yellow clothes, see yellow objects, make beautiful art and learn how yellow makes us feel happy, cheerful and full of energy!

Yellow makes the world brighter!

Red Colour Day Celebration

Red is Special!

About the Celebration

Red Colour Day was celebrated in our classroom with great enthusiasm and joy. Our little ones came dressed in red and explored the beauty of the colour red through fun activities, creative displays and engaging classroom games. The day helped children learn, identify and appreciate the colour red found in nature, objects and everyday life. It was a bright, cheerful and memorable day filled with excitement, creativity and smiles!

Little Hearts... Big Smiles!

Red brings happiness!

Indoor Game

Small
Hands
Big
Learning

Indoor game is a fun activity where children play, learn and explore new things. In this game, children learned about different shapes and colours. They picked, matched and arranged the shapes according to their colours.

What We Learned

Shapes

- Circle
- Square
- Triangle
- Rectangle
- Oval

Colours

- Red
- Blue
- Yellow
- Green
- Pink
- Orange

Benefits

- Improves thinking and problem solving.
- Builds hand-eye coordination.
- Helps in shape and colour recognition.
- Increases focus and concentration.
- Makes learning fun and enjoyable.

Independence Day Activity

Jai Hind

On Independence Day, children showed their creativity by doing palm printing. They used their hands and bright colours to make the Indian flag. It was a fun and meaningful activity that helped them feel proud of our country.

About the Activity

The children used their handprints with three colours —

- **Saffron** (top)
- **White** (middle – with Ashoka Chakra)
- **Green** (bottom)

Together, these handprints formed the Indian flag.

What We Learned

- About the colours of our national flag.
- The importance of unity and freedom.
- How to express love and respect for our country in creative ways.

Community Lunch

Together We Share,
Together We Grow

"साझा भोजन,
सामुहिक खुशी
और मजबूत
समुदाय की पहचान!"

क्या है Community Lunch?

Community Lunch एक विशेष गतिविधि है, जिसमें हमारे विद्यालय के बच्चे अलग-अलग राज्यों के पारंपरिक भोजन बनाकर लाते हैं। इसमें सभी छात्र, शिक्षक और अभिभावक मिलकर साथ बैठकर भोजन करते हैं, जिससे आपसी सौहार्द, समानन और "एकता में विविधता" की भावना मजबूत होती है।

इस गतितिधि का उद्देस्य

- विभिन्न राज्यों की संस्कृति और खानपान से परिचित कराना।
- सहभागिता, सहयोग और सामुदायिक भावना को बढ़ावा देना।
- स्वस्थ और पौष्टिक भोजन के महत्व को समझाना।
- हमारे भारत की विविधता में एकता को मजबूत करना।

विविधता में एकता ♥ सबका साथ, सबका भोजन ♥ एक मजबूत समुदाय

Rakhi Celebration

A Bond of Love, Care and Protection

Happy Raksha Bandhan

Why Do We Celebrate Raksha Bandhan?

Raksha Bandhan is a special festival that celebrates the beautiful bond between brothers and sisters. On this day, sisters tie a rakhi (a sacred thread) on their brothers' wrists, and in return, brothers promise to protect and support their sisters. It is a symbol of love, trust and lifelong care.

What We Learned

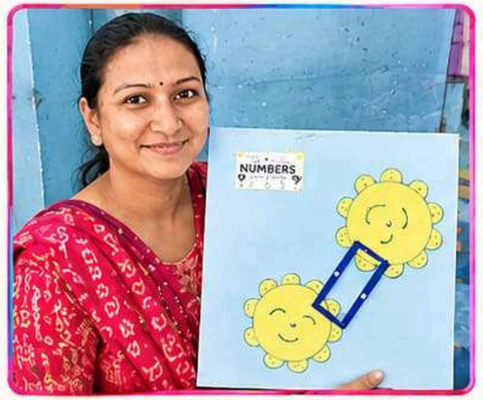

- The importance of family and strong relationships.
- To be kind, caring and helpful to our siblings.
- That love and respect make our bond stronger.
- The value of traditions and festivals in our culture.

Small Hands Tie Big Bonds

TLM Making Competition

(मां की पाठशाला)

Learn
Create
Grow

What is TLM?

A Teaching Learning Material (TLM) is a learning aid such as a chart, model, game or activity which helps children to understand concepts easily through sight, touch and hands-on experience.

Use of TLM in Balvatika

- Makes learning fun and engaging.
- Helps children understand difficult concepts.
- Develops creativity, thinking and problem solving skills.
- Encourages active participation and hands-on learning.

Benefits of Mothers' Participation

- Strengthens the school-home partnership.
- Gives children love, support and motivation.
- Brings new and creative ideas for classroom learning.
- Makes the learning environment more joyful and rich.

Little Hands... Big Ideas... Together for Better Learning

एक पेड़ मां के नाम

पेड़ लगाएं
मां के नाम,
हरियाली लाएं
जीवन में
नए आयाम!

कार्यक्रम का उद्देश्य

"एक पेड़ मां के नाम" अभियान के अंतर्गत हम सभी ने अपनी माताओं के सम्मान में पेड़ लगाए। यह सिर्फ एक पौधा नहीं, बल्कि हमारे पर्यावरण, हमरे भविष्य और मां के प्रति प्रेम और कृतज्ञता की भावना का प्रतीक है। पेड़ हमें स्वच्छ हवा, छाया, हरियाली और जीवन देता है।
आइए, हम सब मिलकर अधिक से अधिक पेड़ लगाएं और प्रकृति की रक्षा करें।

इस गतिविधि से हमें क्या सीख मिली?

- पेड़ लगाना एक अच्छा और ज़िम्मेदार काम है।
- यह हमें प्रकृति और पर्यावरण के प्रति जागरूक बनाता है।
- हम अपनी माताओं का सम्मान और आभार इस तरह भी व्यक्त कर सकते हैं।
- हर छोटा कदम, बड़ा बदलाव ला सकता है।

हमारा संकल्प

"हर मॉ के नाम एक पेड़;
"ह पेड़ से हरियाली, खुशहाली और जीवन।"

पेड़ लगाएं ♥ प्रकृति बचाएं ♥ मॉ का सम्मान करें

Janmashtami Celebration

Happy Janmashtami!

May Lord Krishna fill your life with happiness, love and success!

What is Janmashtami?

Janmashtami is the birthday of Lord Krishna. It is celebrated with joy, devotion and love. Children come dressed as little Krishna and Radha, perform dances, sing bhajans and take part in cultural activities. The school is decorated with flowers, colourful themes and a beautifully adorned Krishna ji.

Why Do We Celebrate Janmashtami?

- To remember the birth of Lord Krishna.
- To teach us good values like love, kindness, honesty and courage.
- To bring happiness and positivity in our lives.
- To keep our culture and traditions alive.

What We Learned

- We learned about the life and teachings of Lord Krishna.
- We learned to respect our culture and festivals.
- We enjoyed the activities and worked together as a team.

Little Steps... Big Values

Navratri Celebration

About the Celebration

Navratri was celebrated in our school with great enthusiasm and joy. The children came dressed in colourful traditional Gujarati attire. They enjoyed traditional music, danced Garba and Dandiya with excitement. The event helped them learn about our rich culture and traditions. It was a wonderful day filled with energy, happiness and smiles!

Free Drawing

Small Hands... Big Ideas... Beautiful Dreams...

Rakhi

Umbrella

Lotus

What is Free Drawing?

Free drawing means drawing anything we like. We use our imagination and creativity to make beautiful pictures without any rules.

In This Activity...

- Children drew their own ideas and favourite things.
- They used crayons and colour pencils to make their drawings colourful.
- It helps in developing creativity, observation and fine motor skills.
- Every drawing is unique and special, just like every child!

Little Artists... Big Imagination...

Paper Craft Activity

Cut ✂ Shape ▲ Stick Create ☺

Umbrella

Boat

Rakhi

Triangle Shape

Squirrel

Shapes Craft

What We Learned?

In this activity, children learned to make beautiful pictures using paper. They used scissors to cut different shapes, like triangles, circles and squares. Then they used glue to stick the shapes and create new things. This activity helped them improve their fine motor skills, creativity and confidence.

♥ Small Hands... Big Ideas... ♥

Clay Play

Clay play is a fun and creative activity where children use soft clay to make different shapes, objects and designs. It helps them explore, imagine and learn while they play!

Benefits of Clay Play

- Improves fine motor skills and hand strength.
- Boosts creativity and imagination.
- Builds focus and concentration.
- Helps in problem solving and decision making.
- Gives a sense of achievement and builds confidence.
- Encourages social skills when played in groups.
