QUARTERLY E-NEWS LETTER
JULY-SEPTEMBER 2026

Prepared by Mr. Arun (PRT)

Tree Plantation Maa Ke Naam”

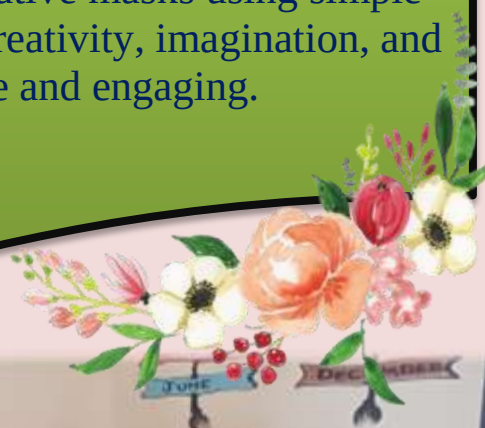

A tree plantation activity was conducted at **PM SHRI K.V. Diphu** under the “**Ek Ped Maa Ke Naam**” campaign. Students and teachers actively participated in planting saplings and were encouraged to protect and nurture them. The activity promoted environmental awareness and highlighted the importance of trees for a healthy and sustainable future.

Mask Making Activity

A mask-making activity was conducted at **PM SHRI K.V. Diphu** for the students of the Primary Section. The students participated enthusiastically and created colourful and creative masks using simple materials. The activity helped develop their creativity, imagination, and artistic skills while making learning enjoyable and engaging.

❓ LEARNING TODAY, STAYING SAFE TOMORROW! ❓

PM SHRI KV Diphu conducted an engaging Fire Extinguisher Drill for our young learners.

Primary students learned how to respond calmly and safely during a fire emergency.

Through hands-on demonstration, they understood the basic use of a fire extinguisher. A valuable safety lesson empowering our little learners to Be Alert, Be Safe, Be Prepared!

REFLECTING, CONNECTING & GROWING TOGETHER!

PM SHRI KV Diphu successfully conducted the PT-1 Examination, followed by a meaningful Parent-Teacher Meeting (PTM).

Teachers and parents came together to discuss students' learning progress and development.

Valuable feedback and constructive guidance were shared to support every child's growth.

Together, we nurture learning, build confidence and empower every learner to shine!

Learning Beyond the Textbook!

Teachers at PM SHRI KV Diphu use diverse and child-friendly pedagogical approaches to make classroom learning engaging and meaningful. Activity-based learning, experiential learning, collaborative work and the use of TLM and digital resources encourage active participation. Students learn by exploring, questioning, creating and connecting concepts with real-life experiences.

Different approaches, one goal — joyful learning and holistic development of every child!

Celebrating the Spirit of Independence!

PM SHRI KV Diphu celebrated Independence Day with patriotic spirit, enthusiasm and pride.

The celebration highlighted the values of freedom, unity, responsibility and love for our nation.

Students actively participated in various cultural and patriotic activities.

Together, we celebrate our freedom and inspire young minds to build a strong and responsible India.

Learning, Exploring and Growing Together!

PM SHRI KV Diphu actively conducts engaging Cub-Bulbul activities to nurture confidence, discipline, teamwork and a spirit of adventure among young learners.

Through fun-filled activities, students develop life skills, creativity, self-reliance and a sense of responsibility.

The activities provide opportunities to learn by doing, exploring and working together.

Creativity in Action, Learning with Joy!

PM SHRI KV Diphu conducted engaging CLA activities such as Rakhi Making and Painting, Drama for primary students.

The activities provided students an opportunity to express their creativity and develop fine motor skills.

Through hands-on learning, students explored colours, designs and creative ideas.

Creating, learning and growing through joyful and meaningful activities!

Celebrating the Spirit of Sportsmanship!

PM SHRI KV Diphu celebrated National Sports Day with enthusiasm and active participation by our primary students.

The day highlighted the importance of fitness, discipline, teamwork and healthy competition.

Students participated in various sports and physical activities with great energy and enthusiasm.

Play with passion, compete with spirit and stay fit for life!

Empowering Teachers, Enriching Learning

PM SHRI KV Diphu promotes Continuous Professional Development (CPD) to strengthen teachers' knowledge, skills and classroom practices.

Teachers engage in professional learning, sharing of ideas, collaborative discussions and innovative pedagogical practices.

These opportunities help teachers stay updated and effectively respond to the diverse learning needs of students.

When teachers learn and grow, classrooms become more engaging, effective and enriching.

Creative Classrooms, Curious Minds
