FROM THE PRINCIPAL'S DESK

“Your talent is God’s gift to you. What you do with it is your gift back to God.”

Every child is unique with innovations and new challenges. The introduction of **NIPUN** and **FLN** aims at bringing a paradigm shift from examination-centered to holistic education in scholastic and co-scholastic domains. This E-newsletter reflects the manifold activities and achievements of our students. I extend my deep sense of appreciation to all energetic students, dedicated teachers, and worthy parents.

MESSAGE FROM FOUNDATIONAL AND PREPARATORY IN CHARGE

It is my immense pleasure to present the Foundational and Preparatory stage E-News Letter for the 1st TERM of the session 2026-27. This newsletter is a mirror of exposure of hidden budding talents of tiny tots of Foundational Stage. Day by day they grow, flourish and proceed towards the perfection by the help of my learned colleagues. K.V. Sangathan emphasizes on NIPUN, so as to create a comfortable, joyful and stress-free learning environment for the students and through this our students learn to apply the knowledge in their practical lives.
