The Principal,
All Kendriya Vidyalayas,
Under Mumbai Region

Subject: Tentative/Suggestive Date Sheet for Half-Yearly Examination (Classes III–VIII), PT-II (Classes IX–X) and Monthly Test (Class XII) – September 2026 – reg.

Madam/Sir,

The Tentative/Suggestive Date Sheet for the Half-Yearly Examination for Classes III to VIII, Periodic Test-II for Classes IX and X and Monthly Test for Class XII is forwarded herewith for necessary action and further communication to all concerned.

The Vidyalayas are advised to plan and conduct the examinations/tests in a systematic manner, keeping the following in view:

1. The syllabus prescribed for the respective examination/test shall be strictly aligned with the KVS-approved subject-wise split-up/syllabus distribution. Teachers shall ensure adequate coverage (upto 15.09.2026) and revision of the prescribed syllabus before the commencement of the examination.
2. Question papers to be prepared at Vidyalaya level shall be of an appropriate KVS/CBSE standard and pattern, with due emphasis on Competency-Based Questions (CBQs), application of concepts, higher-order thinking and assessment of the intended learning outcomes. The question papers shall be appropriately moderated at the Vidyalaya level before use and ensure cumulative coverage of syllabus, wherever applicable.
3. Evaluation shall be carried out objectively and uniformly. Marking schemes/answer keys shall be prepared and finalized at the Vidyalaya level in advance and made available to the teachers concerned to ensure consistency and transparency in evaluation.
4. The assessment process should be used meaningfully to identify learning gaps and areas requiring improvement. Teachers shall provide appropriate feedback to students and plan suitable remedial/enrichment measures, wherever required.
5. Vidyalayas shall plan Parent-Teacher Meetings (PTMs) after the assessment, as appropriate, to share students' performance, learning gaps, strengths and areas for improvement with parents/guardians and to facilitate constructive academic feedback.
6. The finalized examination/test schedule shall be shared with students and parents well in advance, so as to enable them to plan their preparation appropriately.
7. Vidyalayas may suitably modify the dates, wherever necessary, keeping in view local holidays, school-specific requirements and the convenience of students and teachers. Such flexibility, however, shall be exercised judiciously without compromising the academic objectives, continuity of learning and timely completion of the assessment process.
8. The **common regional timeline for declaration of results shall remain unchanged**, and results shall be declared on or before **05.10.2026**. and the marks shall be updated on the **SAMAGAM Portal**. Further, progress of the Academic Performance for Term I for Class 3 to 8 in form of progress report be provided to parents.

Principals are requested to make necessary advance planning to adhere to these timelines. Further, Principals are requested to ensure close monitoring of the entire process and compliance with the above instructions.

Yours sincerely,

(R A Patil)
