**CONFIDENTIAL**

**Subject: Attempt by neighbouring countries intelligence agencies to obtain information through school students-reg.**

Madam/Sir,

In continuation to this office letter dated 07.11.2024, it has come to notice that neighbouring countries intelligence operatives are trying to obtain vital information related to the activities of military establishments by contacting school students while talking to them in some context or other. In this regard, to take preventive measures for safety of the students and others. Therefore, it has been decided to issue the following instructions to KVs:

1. KVs not to share any information related to employees or children with outside organizations without the approval of the competent authority.
2. To instruct the Principals of Kendriya Vidyalayas associated with defense institutions, to sensitize the students on this subject and sensitize them not to talk to any unknown person on topics related to defence institutions.
3. To sensitise students and teachers not to furnish any vital information related to students, teachers and parents when asked by any outsiders on the ongoing issues with neighbouring Countries.
4. To restrict access to data based on job roles or responsibilities, ensure only authorized personnel would be allowed to view or handle the data and information to be shared only to authorized persons at Regional office or at school level.
5. To conduct a school level online/offline training session to sensitise all employees and students regarding the safety of personal data.

Further, a video clip shared by KVS Regional Office Gurugram is attached regarding such an attempt for information.

This issue with the approval of competent authority.

Yours sincerely,

(Dr. P Devakumar)

Additional Commissioner (Acad.)

01.05.25.
