MESSAGE FROM PRINCIPAL DESK

MR. MUNENDRA PRAKASH

As part of Learner's Community I feel honored to be one of the members of Team KV NTPC Farakka in publishing it's e-Newsletter. This e-Newsletter is definitely the epitome of the holistic development of the tiny tots of the Vidyalaya in motivating and empowering them with skills required for an ever - changing global society. Efforts of Team NTPC Farakka in this regard is certainly praiseworthy. May Almighty keep up their spirit of showcasing the achievements of the children in various activities keeping in view NEP 2020.

I/C PRIMARY SECTION
MR. SHAHNAWAZ ALI

We would like every child to recognize that in any society there are differences. We need to learn to appreciate and respect these differences. Every child should get opportunities to explore, observe, draw, categorize, speak, question, write and list.
