FROM THE PRINCIPAL'S DESK.....

It gives me immense pleasure that my Primary wing has made sincere efforts towards publishing this CMP NEWSLETTER for the quarter APRIL TO JUNE .This newsletter is the showcase of the activities conducted for physical, mental and emotional growth of our blooming buds. I congratulate staff, students and editorial board of primary section.

Shri MUNENDRA PRAKASH
Principal

MESSAGE FROM OUR PRIMARY INCHARGE

It gives me a pleasure to release this newsletter published under Common Minimum Programme. Regular activities in the school help in all round development of the children. The hidden talents within the children emerge out. Feel more energetic. The role of teachers for such activities is commendable. I wish the children all the best for their bright future.

NEP 2020

NATIONAL EDUCATION POLICY 2020

Equity & Inclusion · Quality · Holistic Learning · Innovation · Joyful Learning

NIPUN BHARAT MISSION

Every Child Can Read, Write, Understand & Calculate by Grade 3

"Foundational Literacy and Numeracy is an urgent and necessary prerequisite for all future learning." – NEP 2020

OBJECTIVES OF NEP 2020

- Universal Foundational Literacy & Numeracy
- Holistic and Competency-Based Learning
- Experiential & Activity-Based Teaching
- Inclusive, Equitable and Joyful Classrooms
- Critical Thinking & Problem Solving
- Multilingual Education
- 21st Century Skills
- Continuous Assessment and Individual Support

FOUNDATIONAL LITERACY (READING)

- Finds information in age-appropriate books/texts
- Reads at least 60 words per minute with adequate comprehension
- Can answer 3 out of 4 (75%) questions asked from a story or paragraph of about 8–10 sentences.
- Speaks confidently using complete sentences.

FOUNDATIONAL LITERACY (WRITING)

- Writes short messages for different purposes.
- Uses naming words, action words and punctuation correctly.
- Frames meaningful sentences.
- Writes grammatically correct sentences.
- Expresses ideas independently.

FOUNDATIONAL NUMERACY

- Develops strong Number Sense
- Solves Addition & Subtraction
- Understands Multiplication through activities
- Solves Real-Life Word Problems
- Compares, Estimates & Measures
- Understands Shapes, Fractions & Patterns
- Applies Mathematics in daily life

CLASSROOM PRACTICES RECOMMENDED IN NEP 2020

- Learning through Play
- Storytelling
- Role Play
- Games & Activities
- Hands-on Learning
- Group Discussion
- Reading Corners
- Project-Based Learning
- Parent Participation

EXPERIENTIAL LEARNING

Learning by experience helps children connect concepts with real life.

- Encourages curiosity and exploration
- Builds deeper understanding
- Develops critical thinking & creativity
- Makes learning joyful and meaningful

LEARNING BY DOING

Children learn best when they are actively involved.

- Learn → Do → Understand → Apply
- Hands-on activities and projects
- Develops confidence and independence
- Prepares children for real-life situations

USE OF LTM (TEACHING LEARNING MATERIAL)

LTM makes learning concrete, simple and enjoyable.

- Uses local, low-cost, easily available materials
- Helps in better understanding of concepts
- Supports activity-based and inclusive learning
- Encourages participation of all learners

Flash Cards · Charts · Models · Manipulatives · Puzzles

USE OF DIGITAL RESOURCES

Technology enhances teaching and learning.

- Access to videos, animations, e-content
- Interactive and engaging learning
- Supports individual pace of learning
- Prepares students for digital world

Learning is Fun!

NIPUN LAKSHYA: READING TARGETS

CLASS 1 TARGETS (By end of Class 1)

- Recognises letters and their sounds.
- Reads simple words and sentences.
- Reads at least 30–40 words per minute.
- Understands short stories with help.
- Answers 2 out of 3 (60%) questions.

CLASS 2 TARGETS (By end of Class 2)

- Reads at least 60 words per minute.
- Understands passages of 8–10 lines.
- Answers 3 out of 4 (75%) questions.
- Reads with expression and confidence.
- Enjoys reading age-appropriate books.

21ST CENTURY SKILLS

Communication · Collaboration · Creativity · Critical Thinking · Digital Literacy · Problem Solving · Life Skills · Values & Ethics

NEP 2020 → FLN → NIPUN BHARAT

Every Child Learns • Every Child Reads

Every Child Counts • Every Child Succeeds

★ Foundational Learning Today, Strong Nation Tomorrow! ★

ROLE OF TEACHERS

- Encourage every learner
- Identify learning gaps early
- Provide remedial support
- Create joyful classrooms
- Promote active participation
- Build confidence
- Encourage reading every day
- Develop curiosity and creativity

ROLE OF PARENTS

- Read with children daily
- Encourage conversation
- Support writing practice
- Play educational games
- Appreciate every small achievement

"When children read, they learn. When they understand, they grow. When they practice, they succeed."

HEALTHY HABITS & CLEANLINESS

Little Habits Big Changes

Good Habits Today Better Tomorrow

A Clean Body, A Clean Surrounding, A Healthy Life!

PERSONAL HYGIENE

- Bath daily and keep your body clean.
- Brush your teeth twice a day.
- Keep your hair clean and neat.
- Trim your nails regularly.
- Cover your mouth and nose while coughing or sneezing.
- Wear clean clothes every day.

HEALTHY HABITS FOR A HEALTHY LIFE

Eat healthy food. · Drink plenty of clean water. · Get enough sleep. · Exercise daily and stay active. · Manage stress and stay happy.

WHY IS CLEANLINESS IMPORTANT?

- Keeps us healthy and strong
- Prevents diseases and infections
- Makes our home, school and surroundings pleasant
- Shows good manners and respect for others
- Helps in a better and happier life

USE DUSTBIN

KEEP YOUR SURROUNDINGS CLEAN

- Throw waste in the dustbin.
- Keep your home and classroom clean.
- Do not spit in public places.
- Do not litter.
- Keep water sources clean.
- Plant more trees and protect the environment.

CLEAN HABITS EVERY DAY

- Wash your hands with soap before eating and after using the toilet.
- Always use the toilet and keep it clean.
- Keep your water bottle, lunch box and belongings clean.
- Keep your desk and study area neat and tidy.
- Keep your room well-ventilated and bright.

GOOD HABITS – PRACTICE EVERY DAY

Wish everyone with a smile. · Read good books and learn new things. · Respect nature and all living beings. · Limit screen time and use digital devices wisely. · Be kind, helpful and respectful to others.

EAT HEALTHY – STAY HEALTHY

Fruits · Grains · Vegetables · Proteins

Balanced diet gives us energy and keeps us fit.

AVOID BAD HABITS

No Junk Food · No Smoking · No Alcohol · No Spitting · No Littering · No Drugs

STEP BY STEP – 6 STEPS OF HANDWASHING

1. Wet Hands
2. Apply Soap
3. Rub Palms
4. Rub Between Fingers
5. Rub Thumbs
6. Rinse and Dry

TOGETHER WE CAN

Stay Healthy, Stay Clean and Build a Better Tomorrow!

THREE GOLDEN RULES

Use a Dustbin · Save Water · Save Environment
