PM SHRI KV, BSF, BHIKHIWIND

REPORT ON EBSB ACTIVITIES

The PM Shri Kendriya Vidyalaya ,Bhikhiwind actively conducted various activities under the flagship programme "Ek Bharat Shreshtha Bharat (EBSB)", an initiative by the Ministry of Education to promote national integration and cultural exchange among states and union territories of India.

As part of the Ek Bharat Shreshtha Bharat (EBSB) program, the students of PM Shri KV, BSF, BHIKHIWIND had a Virtual Interaction with the students of KV Karnool, Andhra Pradesh

The interaction aimed to promote cultural exchange, learning, and understanding between Punjab and Andhra Pradesh.

First of all the students from both the sides introduced themselves and shared information about their respective states.

Afterwards the students from PM Shri KV, Bhikhiwind threw light on Punjab's culture, cuisine, history, tourist places and economy through a PPT. Thereafter the students from KV, Karnool, presented a Punjabi song and the students from PM Shri KV Bhikhiwind presented a dance performance on Telugu song.

Cultural Exchange Programmes:

Dance and music performances representing the culture of the paired state were organised during school functions and celebrations.

Quiz Competitions

Quizzes were held on history, geography, and cultural heritage of the paired state.

Art & Craft Exhibitions:

Students prepared artwork, models, and traditional attire designs representing the paired state's culture.

Essay Writing & Poster Making:

Competitions were conducted on the theme of national unity, cultural diversity, and knowledge about the paired state.

Virtual Tours and Webinars:

Online sessions were arranged to explore tourist places, food habits, and festivals of the paired state.

Principal Mrs. Vandana Tyagi appreciated the efforts done by the students of both the sides . She also laid stress on the learning opportunities and challenges involved in such programmes.On

the whole, the students gained a deeper understanding of Andhra Pradesh's culture, traditions, and environmental practices.It was a valuable experience, promoting cultural exchange, understanding and collaboration.
