Principal's Message

This newsletter "The 4-Pages" is a four-page bulletin that showcases our Vidyalaya activities conducted in the month of July 2024. It picks up the memorable moments from various activities such as Van Mahotsav, Siksha Saptah, Plant4Mother, Fun Day, DT Injection Programme etc. It is the fruit of teaching-learning process involving energetic mentors and lively students. Hope, this newsletter will propagate positive vibes among the KVians and people associated with KVS.

Hemananda Barik
Principal I/C

Wish you a joyful reading.

Shiksha Saptah

2024

'Shiksha Saptah' was celebrated from 22nd to 28th July, 2024 in the Vidyalaya premises.

Various hand-on activities were conducted for the betterment of our Education system during the week. Learning-Teaching Materials Exhibitions and Clay modeling were important attractions for parents..

GLIMPSES OF SHIKSHA SAPTAH House Models (Shiksha Saptah-Day-1)

FLN DAY
(SHIKSHA SAPTAH-DAY-2)

CLAY ITEMS
(SHIKSHA
SAPTAH-DAY-3)

Van Mahotsav

Van Mahotsav Students understood better the importance of trees for the environment when they collected plants and celebrated Van Mahotsav or 'Forest festival' by planting them in the school premises. It was every day in the first week of July 2024. Teachers explained how to dig the soil, plant a tree and take care of it afterwards. It aimed at creating awareness of nature's beauty. It also showcased the love and honour for Mother Earth

(एक पेड़ माँ के नाम नाँ वाळूँ गछटिँ)

The feeling of pride for Mother Earth continued from first week of July to the last week of July when a grand campaign of plantation was conducted by the name Plant4Mother (एक पेड़ माँ के नाम नाँ वाळूँ गछटिँ). On 28th July 2024, students, teachers and parents gathered in the new building campus at Budakata and planted around 200 sapling of flowers and fruits.

DT Injection Programme

DT injections, which protect against diphtheria and tetanus, are part of routine childhood vaccinations. It is administered in various school through public health programs to ensure children receive this essential protection. It was thus given to all the students of our school on 30 July 2024 in the resource room during the school hours.

Fun Day

Children of class 1 and 2 enjoyed their Fun Day on 20 July by making and wearing masks of different animals and plants. Some of them made the sound of the animals and some others talked about the plants they represented.

Mother's workshop

Mother's workshop - It is said that, 'A mother is the first teacher of a child'. To make this saying a more effective one, teachers of Primary section conducted a workshop for all the mothers of class I and II. The main aim of the workshop was to guide the mothers to be helpful in holistic development of their children.

It all began with a welcome address by Mr. M.Kua, senior most teacher of Primary section. It was followed by some general instructions given by Respected Principal, Mr. Hemananda Barik. The mothers were made acquainted about few key points such as - uniform, fee payment, plantation, nutritious food, no abuse, etc. It was then followed by some suggestions given by all the subject teachers related to their subjects. The programme then proceeded by taking suggestions from the mothers which included points like - homework, encouragement of speaking competency in English, PTMs, etc. The workshop concluded with a vote of thanks given by Mr. T.S. Panigrahi, PRT.
