CLASS-VII A,SUBJECT:-SCIENCE - ART INTEGRATED PROJECT
SESSION-2025-26
SUMMER BREAK HOLIDAY HOMEWORK
TOPIC: Photosynthesis

Task: Create a collage on an A4 sheet or chart paper depicting the process of photosynthesis.
ART INTEGRATION:

- **Draw a labeled diagram of photosynthesis and write a short paragraph (5-6 sentences) explaining the process, including the role of chlorophyll.**
- **Use cutouts, drawings, or paintings to show a plant, sunlight, carbon dioxide, water, and oxygen.**
- **Arrange them artistically with arrows to indicate the process. Add a colorful nature-themed border.**
