Sh. Chandra Shekhar  
ED, Asset Manager, ONGC Surat  
& Chairman, VMC, KV ONGC Surat

Sh. Rajesh Kumar  
Principal,  
KV ONGC Surat

## *From Principal's desk...*

Dear Students, Teachers, and Parents,

I am delighted to extend my warm greetings to each member of our esteemed school community through the pages of this month's magazine. As we navigate the journey of another academic month, it is both a pleasure and a privilege to reflect on the collective achievements, growth, and spirit of our school.

This month, our school has witnessed outstanding performances in academics, sports, arts, and various co-curricular activities. These achievements are a testament to the hard work, dedication, and collaborative spirit that define our school community. I commend each student for their perseverance and commitment to excellence.

Our commitment to holistic education is evident not only in academic pursuits but also in nurturing character, resilience, and empathy. We strive to instill values that will serve our students well beyond the classroom, preparing them for the challenges and opportunities that lie ahead.

I encourage each student to embrace the upcoming month with enthusiasm, curiosity, and a commitment to learning. Remember that education is not merely the acquisition of facts but the cultivation of a lifelong love for learning.

I look forward to witnessing the continued growth and achievements of our school community in the coming month. Let us work hand in hand to create an environment where every student can flourish academically, socially, and personally.

Wishing you all a month filled with inspiration, discovery, and success.

With warm regards,

[RAJESH KUMAR]
