NEWSLETTER 2026–27
April – 25 September 2026

Celebrating Learning • Leadership • Achievement • Creativity

From classrooms to celebrations, from academic milestones to student leadership, the first six months of the academic session 2026–27 have been vibrant and purposeful at Kendriya Vidyalaya No. 3 ONGC Surat.

From the Principal's Desk..

It gives me immense pleasure to present the **Newsletter of Kendriya Vidyalaya No. 3 ONGC Surat**, chronicling the vibrant journey of our Vidyalaya from **April to September 2026**.

The first half of the academic session has been marked by **academic excellence, creativity, leadership, cultural celebration and meaningful participation**. Our students have enthusiastically engaged in classroom learning, technology-based activities, environmental awareness, yoga and sports, literary and cultural programmes, national observances and a wide range of house activities.

The **100% CBSE Class XII result** has been a moment of great pride for the Vidyalaya. This achievement reflects the sustained efforts of our students, dedicated teachers, supportive parents and the collective spirit of the entire school community.

Equally encouraging has been the growing participation of our students in **Student Council activities, house programmes, celebrations and experiential learning opportunities**. These experiences help our children develop confidence, responsibility, teamwork and leadership—qualities that extend far beyond the classroom.

Our celebrations of **Yoga Day, Environment Day, Kargil Vijay Diwas, National Sports Day, Teacher's Day, Hindi Diwas and various cultural occasions** have provided opportunities to nurture values of patriotism, compassion, environmental responsibility and respect for India's rich diversity.

I sincerely appreciate the dedication of our teachers, the enthusiasm of our students and the continued support of parents and the ONGC community. Together, we strive to create an environment where **every child gets an opportunity to learn, participate, achieve and grow**.

May the coming months bring many more opportunities, accomplishments and cherished memories for our Vidyalaya family.

“Let every child learn with joy, lead with confidence and grow with purpose.”
