Subject: Request for Building Safety Assessment & Issuance of Building Safety Certificate for PM SHRI Kendriya Vidyalaya, Berhampur-**Gentle Reminder**.

Reference:- Letter of this Vidalaya, Dt.04.02.26

Respected Sir,

I respectfully request your office to conduct a comprehensive structural and safety assessment of our school building situated at Ambapua, Berhampur.

This request is made in view of the **CBSE (Central Board of Secondary Education) regulatory requirements**, which mandate that a valid **Building Safety Certificate** — detailing all building blocks and floors — be issued by an officer not below the rank of an Assistant Engineer of a Government Works Department, as part of the documentation for affiliation and safety compliance.

Therefore, I kindly request that you arrange for the **necessary inspection and assessment at the earliest convenience** and issue the Building Safety Certificate, which is essential for our continued compliance with CBSE norms and for the safety and well-being of our school community.

Mr. K D K Subudhi, TGT-WE (Mob: 9437886352) of this Vidyalaya may be contacted for any information.

Thanking you

Yours faithfully,
