These schools will showcase the implementation of the National Education Policy 2020 and emerge as exemplar schools over a period of time, and also offer leadership to other schools in the neighbourhood. They will provide leadership in their respective regions in providing high-quality education in an equitable, inclusive and joyful school environment that takes care of the diverse background, multilingual needs, and different academic abilities of children and makes them active participants in their own learning process as per the vision of NEP 2020.

Under the scheme there is provision of setting up of More than 14500 PM SHRI Schools (PM Schools for Rising India) by strengthening the existing schools from amongst schools managed by Central government/State/UT Government/local bodies.
