BUILDING SAFETY CERTIFICATE

Certified that the Permanent School Building of PM SHRI Kendriya Vidyalaya, Tatanagar, Jamshedpur, was jointly inspected on 04.06.2026 by the undersigned officers of CPWD.

During the course of inspection, no apparent signs of structural distress such as major cracks, excessive settlement, abnormal deflection, tilting or any other visible defects affecting the general stability of the building were noticed.

Based on the visual inspection carried out and to the best of our knowledge, the Permanent School Building of PM SHRI Kendriya Vidyalaya, Tatanagar appears fit for its intended use under normal conditions of occupancy, subject to regular maintenance and upkeep by the user department.

This certificate is issued on the basis of visual inspection of the building and shall not be construed as a detailed structural audit, stability analysis, load test or assessment of concealed structural components.

This certificate is issued at the request of the Principal, PM SHRI Kendriya Vidyalaya, Tatanagar, for submission to the concerned authorities.
