

FUNDAY

Funday is organized as a special day in our school where students and teachers come together to enjoy themselves. Funday is celebrated every Saturday as a weekly event. The program and activities include:

- Students are divided into the following four clubs:
 1. Music Club
 2. Art and Craft Club
 3. Nature Club
 4. Maths ClubStudents participate in various activities under these clubs.
- On Funday, movies are also shown to the students.
- Time slots are allocated for ACP activities as well.

Objectives:

1. **Entertainment and relief:** To provide students with relief from academic stress and offer them relaxation through entertainment.
2. **Socialization and teamwork:** To teach students the importance of teamwork and collaboration.
3. **Physical and mental health:** To promote students' physical and mental health through sports and cultural activities.
4. **Talent showcase:** To provide students with opportunities to showcase their talents on stage.
5. **Encouraging creativity:** To promote students' creativity through arts and crafts activities.
6. **Holistic development:** To ensure the overall development of students beyond academic activities.
7. **Friendship and camaraderie:** To foster feelings of friendship and camaraderie among students.
8. **Boosting self-confidence:** To boost students' self-confidence through various competitions and presentations.
9. **Awareness of social issues:** To raise awareness among students about social issues through cultural programs.
10. **Fun and happiness:** To make a day filled with fun and happiness for students, enabling them to cherish memories of school life.

Funday aims to create a vibrant and inclusive environment where students can learn, grow, and enjoy their time at school.
