

## SKILL HUB INDIA

### SUB-PAINTING

Skill Hubs are nodal skill centres identified to provide skill development and vocational training opportunities to target population segments.

Under this yojhna our school kendriya vidyalaya BEG Pune was selected to provide training opportunity. We selected Painting subject.

As per norms all the activities were taken place following the syllabus provided. Here are some pictures depicting the same.

We worked on plyboards for depicting gond art and warli art.
