PATHANKOT

It is with great pleasure that I present the inaugural edition of our newsletter, which showcases the remarkable achievements of the primary section students of our Vidyalaya. I would like to take this opportunity to reflect on our advancements and extend my heartfelt gratitude to all those who contributed to the creation of this Newsletter. Our primary students have participated in a diverse array of academic, extracurricular, and sports activities, and I am continually impressed by their enthusiasm, creativity, and commitment. I wish to commend our dedicated and talented staff for their unwavering commitment to delivering a high-quality education and a nurturing learning environment for the students of our Vidyalaya. To our parents and guardians, I express my sincere appreciation for your partnership and active involvement in your child's education. Your encouragement and support play a crucial role in their success. In this edition of our newsletter, you will find updates on our recent accomplishments and the exceptional efforts of our primary students at Vidyalaya. The Headmistress and the entire primary team warrant special acknowledgment for their dedication and hard work in assembling this newsletter. Their efforts have made this newsletter possible and have truly highlighted the best in our students.

“The future of the world is in my classroom today.”

— Ivan Welton Fitzwater

Laying the Foundation for a Brighter Tomorrow A strong foundation in education is the gateway to a lifetime of opportunities. It shapes the minds, values, and dreams of our future generations. With the implementation of the National Education Policy 2020, the Indian education system has entered a transformative era—one that emphasizes holistic, activity-based, and experiential learning. Today's classrooms are evolving into dynamic learning hubs where children are encouraged to discover, create, and grow through hands-on experiences. This shift not only strengthens their cognitive abilities but also fosters creativity, critical thinking, and a love for learning. At PM SHRI Kendriya Vidyalaya No. 1, Air Force Station Pathankot, we are committed to nurturing our youngest learners with care and dedication. The early years are crucial, and we believe in laying a strong foundation that will help our little ones blossom into responsible, confident, and compassionate citizens of tomorrow. Our devoted team of educators provides a nurturing and stimulating environment, ensuring that learning is not only meaningful but also joyful and engaging. I extend my warmest wishes to the tiny tots of our Vidyalaya.

May their journey of learning be filled with wonder, curiosity, and endless possibilities.

PM SHRI KV NO.1 PATHANKOT

PM Shri Kendriya Vidyalaya, No.1 AFS Pathankot is set to present Newsletter for the first quarter of the session 2025-26, which showcases the creativity of our young learners in the primary section. It brings me immense pleasure to share this publication, which highlights the remarkable talents of our little ones. This demonstrates that, under the capable guidance of our facilitators, our children can achieve their aspirations and reach their full potential. I wish to extend my sincere congratulations to all the children whose talents, along with the dedication of our committed teachers have brought this newsletter to fruition. Our aim is to nurture the best in our children and to uncover their hidden abilities. To achieve this, our teachers employ a fun-filled and activity-based approach to teaching. I also wish to convey my heartfelt appreciation to the parents for their steadfast support. Without their assistance, guiding the children on the right path would not be possible. I would also like to express my gratitude to our esteemed principal for his support in the publication of this newsletter. A big thank you to everyone who has played a role in bringing this newsletter to life.
