Report -

PM Shri KV FAD Dappar library has undergone an innovative project “Meet an author challenge” (Author – Premchand) under the direction and guidance of Mr. Anil Kumar Gupta, Librarian of this Vidyalaya. This project is implemented from 6 to 9 class students and approx. 320 students participated in this project. Objective behind this innovative project was to create better reading habits amongst students by reading the works in mother tongue. This is to make an easy approach to understand the work of an author. The areas of the projects were Life sketch of the author, his style of writing, vocabulary applied by the author, his empathetic approach for the society through stories and poems. Premchand has written most of his works for farmers, Jamindars and poverty.

To hold the nerve of this project, a large number of activities like live sessions on Premchand life sketch, presentation of comic stories of Premchand, audiobooks presentation, display of Doordarshan series of films based on Premchand stories, life sketch of Premchand through video presentation

by the students, front cover drawing, book review writing, virtual library of Premchand books collection and much more were conducted during library hours. Activities were held under the sincere observation of the book club and reader club members. Students shared their views on Premchand works during library hours. Students were highly impressed that they were a part of this project.
