Sl No	In house awareness programs conducted for empowerment of :	Brief description	Follow up/Remarks
1	Teachers	Workshop on Cyber Safety, Digital Tools for Teaching, and Stress Management. Teachers were sensitized on safe online practices, innovative pedagogical methods, and well-being strategies.	Teachers started integrating digital tools in classrooms and maintaining safe online practices. Follow-up sessions planned every term.
2	Parents	Awareness program on Child Safety, Mental Health, and Role of Parents in Academic Growth. Sessions included interactive discussions and expert talks.	Parents showed active participation and expressed interest in more such programs. Follow-up through PTA meetings and counselling support.
3	Students – Cyber Safety Program	The Monthly Cyber Safety Program conducted for students aimed to promote online safety and responsible digital behavior. It covered: 1. Cyber Threat Awareness: Understanding phishing, malware, and identity theft. 2. Safe Internet Practices: Emphasizing strong passwords and privacy settings. 3. Digital Footprint: Educating students on the consequences of their online actions. 4. Cyberbullying Prevention: Identifying and addressing cyberbullying. 5. Responsible Technology Use: Encouraging respectful communication online	Following the Cyber Safety Program, the school appreciates the active participation of students and their engagement in learning about online safety. The program's emphasis on recognizing cyber threats, safe internet practices, and the importance of responsible digital behavior was well received. Students are encouraged to apply the knowledge gained and discuss it with their families to promote a culture of cyber safety at home. The school is committed to providing ongoing support and resources to help students navigate the digital world responsibly. For any questions or additional resources related to cyber safety, students and parents are welcome to reach out to the school. Thank you for your participation in this important initiative!
