WELCOME TO OUR NEW QUARTERLY NEWSLETTER

पीएम श्री केन्द्रीय विद्यालय
दक्षिण दिनाजपुर

"PM SHRI Schools" is a centrally sponsored scheme by the Government of India. This initiative is intended to develop more than 14500 PM SHRI Schools for Rising India in which every student feels welcomed and cared for, where a safe and stimulating learning environment exists, where a wide range of learning experiences are offered, and where good physical infrastructure and appropriate resources conducive to learning are available to all students.

More than 20 lakh students are expected to be the direct beneficiaries of the scheme. 834 KV's have been selected as PM SHRI Schools. The scheme is proposed to be implemented over a period of 5 years w.e.f. 2022-23 to 2026-27

National Initiative for Proficiency in Reading with Understanding and Numeracy.

As per NEP 2020, "the highest priority of the education system will be to achieve universal foundational literacy and numeracy in primary school by 2025. The rest of this Policy will become relevant for our students only if this most basic learning requirement (i.e., reading, writing, and arithmetic at the foundational level) is first achieved. To this end, a National Mission on Foundational Literacy and Numeracy will be set up by the Ministry of Education on priority. Accordingly, all State/UT governments will immediately prepare an implementation plan for attaining universal foundational literacy and numeracy in all primary schools, identifying stage-wise targets and goals to be achieved by 2025, and closely tracking and monitoring progress of the same".

Mission and Key Objectives of KVS

To cater to the educational needs of children of transferable Central Government employees including Defence and Para-military personnel by providing a common programme of education;

To pursue excellence and set the pace in the field of school education;

To initiate and promote experimentation and innovations in education in collaboration with other bodies like the Central Board of Secondary Education (CBSE) and the National Council of Educational Research and Training (NCERT) etc

To develop the spirit of national integration and create a sense of "Indianness" among children.

To provide, establish, endow, maintain, control and manage schools, hereinafter called the 'Kendriya Vidyalaya' for the children of transferable employees of the Government of India, floating population and others including those living in remote and undeveloped locations of the country and to do all acts and things necessary for providing a conducive atmosphere in schools.

**Shri Dharmendra Pradhan
Hon'ble Minister of Education**

Shri Pradhan shared his thoughts on the roadmap for the next five years for the holistic development of school education across India. He said that education is a key pillar of the Prime Minister Shri Narendra Modi's vision of Viksit Bharat and called upon States & UTs to work together to achieve this goal. In almost four years of National Education Policy, the education ecosystem in the country has made tremendous progress and implementation of NEP is key to transforming Bharat into a knowledge superpower and enabling equitable and inclusive access to quality education.

**Ms. Nidhi Pandey, IIS
KVS Commissioner**

Hearty congratulations to all of you on the occasion of the Diamond Jubilee of Kendriya Vidyalaya Sangathan. This celebration of the journey of sixty years dedicated to education is a matter of great joy for all of us, and fills us with a feeling of gratitude. We are proud that we have all contributed in every possible way to the all-round development of the students.

The Diamond Jubilee is not only a symbol of the journey of these 60 years, but it is also a symbol of the dedication and hard work of our teachers, employees, and students. As an institution, Kendriya Vidyalaya Sangathan

Behind this wonderful success of the organization, there has been the valuable contribution of our teachers, officers and all the members. Without your struggle, dedication and partnership, this success would not have been possible. Today we can proudly say that we have taken the resolution with which the foundation of Kendriya Vidyalaya Sangathan was laid to the heights of success. This organization has always guided the students towards a better future. Today, when we look back, we feel the dedication and cooperation of every stakeholder of the organization.

The contribution of every member associated with Kendriya Vidyalaya Sangathan in reaching this peak of success is commendable. I especially congratulate my present and former teachers for shaping this form of Kendriya Vidyalaya Sangathan.

I firmly believe that this journey of service and dedication will continue uninterrupted.

With many best wishes.

SHRI Y. ARUN KUMAR
Deputy Commissioner
KVS RO KOLKATA

As the new dawn of this day heralds the beginning of a brand new academic session 2024-25, I would like to congratulate all of you for everything you have done and achieved during the last academic session 2023-24. The last couple of years have been very challenging for all of us, especially for teachers and educators dealing with educating and guiding young learners. But all of you, with your concerted efforts and dedication, have been able to shape the young minds of the students in a very positive way, often holding their hands virtually to achieve desired goals. All of you definitely need to be congratulated. Students adopted very fast to the changing times brought about by the COVID-19 pandemic, while teachers and principals burnt the midnight oil to make a meaningful difference in the lives of the students by adopting to technology as fast as they could. We pushed our self-set boundaries and took seamlessly to virtual meetings, virtual classroom inspections, virtual co-curricular activities and much more. As we look back down

the memory lane, we all should feel proud of all that we have achieved during the most challenging times that this era has seen.

But let us not rest on our laurels. As Jonas Salk says, "The reward for a work well done is the opportunity to do more", let us not forget that the ensuing academic session 2024-25 will again pose different challenges as we shift back to our pre-pandemic days and move into our classrooms for teaching-learning. Students need to be slowly allowed to readjust to these changing times through love, compassion and care. Let us understand that this academic session will probably be more challenging for all of us. I am very sure that, with your dedication and passion, all of you can contribute in more positive ways and help the young learners adapt seamless to the changing times.

Shri S. Sreenivasa Raja Our Respected Principal Sir **School Principal Message**

Dear Parents and students,
It is our goal to make each and every student succeed. We offer our students the best possible opportunities to become a confident and thoughtful citizen who is prepared for any future challenges, in an exciting and dynamic world.

At KV Balurghat, we are very proud of our caring, inclusive ethos where we set high standards and expectations for our students to achieve and behave their very best.

The moment new students join our Vidyalaya family we want them to feel a sense of happiness and belonging, as this is essential to their future success.

Our superb facilities and dedicated staff enable us to deliver our programmes in an environment that is friendly and attuned to every specific educational need. We provide atmosphere where the student can feel relaxed and comfortable.

Our Finest Teachers

Mrs. Beauty Yadav
Primary I/C

The role of our Primary Teacher In-Charge (also known as a Primary School Coordinator or Head of Primary) involves a blend of leadership, management, and educational responsibilities.

Mrs. Beauty Yadav leads and supports the primary teaching staff. They provide guidance, motivate the team, and foster a collaborative environment among teachers. She ensures that the school's curriculum is effectively implemented in the primary grades. This includes overseeing lesson plans, ensuring alignment with educational standards, and adapting the curriculum as needed. She identifies training needs for teachers and organizes professional development opportunities to enhance teaching skills and stay updated with educational trends and methods. She helps maintain a high standard of classroom management.

PUSTAKOUPHAAR SAMAROH

APRIL 2024

Pustak Upohaar samaroh refers to a formal event or ceremony where books are gifted or presented. The ceremony was organized by our educational institute to promote reading and education, celebrate authors, or support literacy initiatives. Pustak Uphar program that encourages people to donate books to build the library. Children came to the program with their parents. Parents also appreciated this program.

Likewise last year, in this year too the noble and beautiful celebration of gifting books was observed at KV Dakshin Dinajpur. Gifting something is a great virtue of human. Gifting books to needy ones, in the other hand means sharing knowledge with them. In this year too a large number of students donated their books to participate in this celebration of joy.

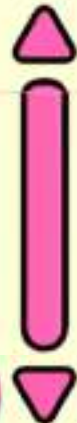

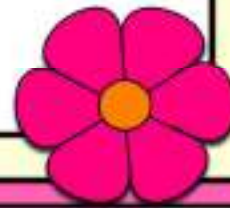

Our Vidyalaya organized Pustakouphaar Diwas in which students shared old books to their friends.

Inauguration of Children's Park

19th April, we inaugurated the newly constructed Children's park. It was a long-awaited desire of the KVS to construct a children's Park at our premises since so many groups which come over here in search of peace, joy and harmony bring many children with them. It was felt that while the whole group would engage itself in prayer, the children would wander in the campus. Moreover, in view of attaching more such groups and to lead children in to a blissful entertainment a remote idea was realized on the 19th of April with the inauguration by **Shri. Amit Baidya sir, Assistant Commissioner of KV Sangathan**. We thanked God for the successful completion of this little project and prayed for the children and the families who come here in search of peace and harmony.

Inauguration of Toy Library

RABINDRA JAYANTI

Rabindra Jayanti is not just a commemoration of Tagore's birth anniversary; it is a celebration of his profound impact on our society and his message of universal harmony, love, and humanity. Tagore's poetry, collected in *Gitanjali*, garnered him the prestigious Nobel Prize in Literature in 1913. But his contributions went far beyond the realm of poetry. He was a visionary who believed in the power of education and nurtured the Santiniketan, an educational institution that aimed to foster creativity, critical thinking, and cultural understanding. The versatile genius that he was, Tagore also composed music and revolutionized Bengali music with his soulful melodies. His songs, known as Rabindra Sangeet, continue to enthrall music enthusiasts even today, serving as a constant reminder of the timeless beauty and depth of his artistry. To celebrate this auspicious day, the students of the secondary section prepared a recital followed by a melodious song and dance performance. As we celebrate Rabindra Jayanti, let us not merely pay tribute to Tagore's immense talents but also strive to embrace his ideals of humanism, tolerance, and cultural diversity. Let us draw inspiration from his works and continue to create a society that embraces compassion, equality, and creativity. On this Rabindra Jayanti, let us honor the legacy of Rabindranath Tagore, a true visionary whose timeless words and actions continue to inspire us all.

International Yoga Day

The Kendriya Vidyalaya Sangathan (KVS) celebrates International Yoga Day on June 21st of every year at all Kendriya Vidyalayas across India. Yoga is an important part of the morning assembly at KVS schools, where it helps students develop strength, awareness, and harmony in their minds and bodies, and to manage stress. Students and other stakeholders participate enthusiastically in the celebrations.

CO-CURRICULAR ACTIVITIES

Thumb and Hand Printing

Co-curricular activities (CCAs) are a part of the curriculum at Kendriya Vidyalaya (KV) schools and are intended to help students develop their character and overall growth. CCAs can include a variety of activities, such as: Drawing and painting, mask making, thump printing, science experiments, dance, music, recitation, story telling, fancy dress etc.
