

KENDRIYA VIDYALAYA BANDEL

WORKSHOP

REPORT DAY 1-2

A workshop was organised under the guidance of our honourable principal Shri CHANDRA SHEKHAR SINGH on 24/09/2024 from 12pm to 2pm in which Mr. Surajit Modak explained **Competency-Based education & Writing Smart Learning**

Outcomes.

Objectives:

It aims to help teachers:

1. Understand what competency-based education is.
2. Discuss its key features.
3. Define learning outcomes.
4. Learn how to write clear and effective learning outcomes.
5. Familiarize themselves with NCERT learning outcomes.
6. Create lesson plans based on learning outcomes.

Competency-Based Education (CBE):

Focuses on students' demonstration of learning outcomes and achieving proficiency in specific competencies.

What Are Learning Outcomes?

Learning outcomes are clear statements about what students should be able to do after a lesson or course.

Writing SMART Learning Outcomes:

- Specific
- Measurable
- Achievable
- Relevant
- Time-bound

Writing Effective Learning Outcomes:

To be effective, learning outcomes should:

- Be clear and specific.
- Be realistic and achievable.
- Use action verbs like “solve,” “explain,” or “demonstrate.”
- Be simple, focusing on what students will learn, not how they will learn it.

Conclusion:

Competency-based education and SMART learning outcomes help students learn in a practical, measurable way. By focusing on what students should be able to do, teachers can create more effective lessons and assessments.

Resource Person- Mr. Surajit Modak

Participants-

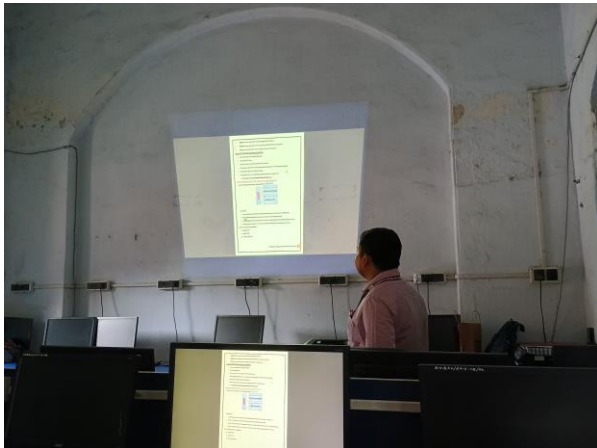

Mrs. Rajkumari Singh. Ms. Ishrat Jahan

Mrs. Oindrila Majumdar. Ms. Tamanna

Mr. Prashant Kumar Mishra

Nipun Incharge

Principal

Report on DAY 4 of workshop at K.V Bandel

The session began with Mrs. Rupa Basu, who started with an activity based on "Chakra" to assess the participants' levels.

The next part of the session focused on Lesson Planning Based on NCERT Learning Outcomes, emphasizing the importance of planning lessons that align with the educational goals set by NCERT.

Our Hon'ble Principal, Mr. C.S. Singh, highlighted key points about 21st Century Skills and the Statement of Teaching Philosophy (STP).

Mr. Surajit Modak spoke about incorporating games into teaching to make learning more engaging. He suggested the following games:

Snake & Ladder:

This can be used to teach about healthy and junk food, as well as basic math concepts like addition and subtraction.

Crossword Puzzle:

This game enhances word recognition, spelling, and vocabulary while also developing students' narration skills.

He then introduced the concept of Jadui Pitara (Magical Box), explaining how puppets and many other things which can be used as an effective teaching tool to make learning fun and interactive .

The session provided valuable insights into creative and innovative methods for enhancing classroom teaching.

Facilitator: Mr. Surajit Modak

Participants:

Mrs. R.k Singh.

Mrs. O.Mazumdaar

Mr. P. K Mishra.

Ms . Tamanna

Ms. Ishrat Jahan
