

PM Shri Kendriya Vidyalaya Moradabad

Vidyalaya Plan

VISION :

To create a safe, healthy, vibrant, non-violent & inclusive environment of learning in order to nurture each child's talent, where every student feels welcomed and cared, which produces Global citizens with a sense of "Indianness" & equipped with 21 st Century life-skills.

MISSIONS:

- To make children good human being, adaptable and capable of actions.
- To provide equitable learning and inclusive environment.
- To produce Global citizens rooted with Indian ethos.
- To develop creative imagination and scientific temper among the children.
- To make children Environmentalist, Empathetic, Courageous, and Resilient.
- To develop healthy relationship among all stakeholders.
- To provide conducive learning environment for their holistic development.

GOALS:

1. Enriching teaching-learning and assessment: Encourage an interactive and engaging learning environment where students can explore their interests and develop a lifelong love for learning. Integrate innovative tools and digital resources into our teaching methods and provide curriculum that stimulates critical thinking, problem-solving skills, and creativity.
2. Equipping the learners with 21st Century Skills: Develop Learning, Literacy and Life skills among the children.
3. Provide safe, welcoming, equitable and Inclusive Environment: Provide a safe and welcoming environment. Foster a culture of respect, empathy, and acceptance that respects diversity. Encouraging collaboration, teamwork, and cultural understanding among students.
4. Emphasize the importance of physical, mental wellbeing: Students develop essential life skills such as resilience, self-awareness, and self-advocacy. It equips them with the tools to manage challenges, bounce back from setbacks, and navigate transitions effectively.
5. Improvement of school result: To improve the students results quantitatively as well as qualitatively.
6. Contribution and Relationship of stakeholders: Encourage open and transparent communication among all stakeholders including students, teachers, parents and community members. Actively listen to their perspectives, concerns and ideas.
7. Continuous Professional development of Staff: Encourage to teachers for their professional development.
8. Infrastructure: With a solid infrastructure in place. Student can engage in various activities and explore their interest in the comfortable and safe learning environment.
