From the PRINCIPAL'S DESK

The world of 21st century is changing at an accelerated scale. It is a challenge for educators to cope with the changing world order and prepare their students for the future. Kendriya Vidhyalaya Chatrapur has withstood change since its inception in 2020 and caters to the needs and aspirations of the society at large of transferable central government employees in particular. It has always tried to inculcate creativity, critical thinking, innovation, divergent thinking along with proper values of life for its students.

This addition of the school magazine "Expression" gives space to imagination and unlocks the thoughts and values of children and staff.

I congratulate to the editorial team for their effort in bringing out these issues.

SHRI R.K.PANDA
I/C PRINCIPAL

Editorial Board

From TEACHER'S PEN

Exploring the hidden talents of the children and channelizing them in proper direction is one of the important responsibility of a teacher.

Kendriya Vidyalaya Chatrapur *has always given them a proper platform to grow in their field of interest along with a proper focus on academic aspect. A teacher always wants to see his/her students at the height of success in their life.*

This news letter is a small step to showcase their talents and boost up their confidence.

I thank all my team members who has supported me directly or indirectly to publish this news-letter.

Wish you all a very bright future ahead my dear students.

MR. DIBAKARO BEHERA

Art, Craft & Creativity

Young Artists in Action!

Art is a beautiful way to express thoughts, feelings and imagination without words. It allows young minds to explore their creativity and see the world from different perspectives. Through drawing, painting and craft, students learn to observe, imagine and create something unique. Art also develops patience, confidence and self-expression. Every stroke of colour tells a story, and every creation reflects the imagination of its creator. Art is not just about making beautiful things; it is about giving ideas a creative voice.

Our school organised the "Stay Cool, Stay Safe" Poster Making Competition in collaboration with MyGov.in, providing students with an opportunity to express their creativity while spreading awareness about heatwave safety. Students participated enthusiastically and created colourful, informative posters highlighting the importance of staying hydrated, avoiding excessive heat exposure and taking necessary precautions during hot weather. The activity encouraged students to combine creativity, awareness and social responsibility. The enthusiastic participation of the students made the competition an engaging and meaningful learning experience.

Our school organised the "India 1947 vs India 2047" Painting Competition as part of the Independence Day celebrations. The competition, organised by the Ministry of Defence in collaboration with MyGov, encouraged students to creatively portray India's journey from independence towards the vision of a developed and self-reliant nation by 2047. Students showcased their imagination through colourful paintings highlighting India's progress in science and technology, infrastructure, education, defence and other key sectors.

DRAWING AND PAINTING

LEARNINGTHROUGH COLOURS

Children expressed their ideas through drawing and painting, exploring different colours and shapes.

Craft & Clay Modelling

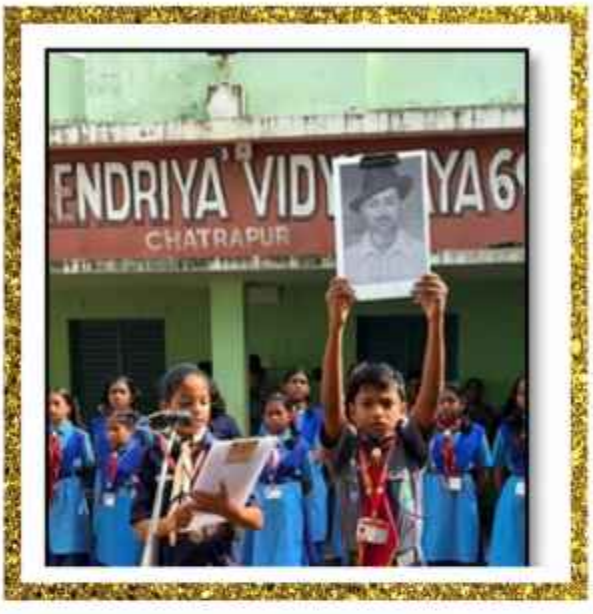

Children participated in simple craft activities and created shapes and objects using clay. These hands-on activities encouraged creativity and experimentation, giving children the freedom to explore different forms and textures. Children enjoyed learning by doing, and the tactile experience of working with clay helped strengthen their finger muscles and improve hand-eye coordination. The activity also fostered a sense of accomplishment as children saw their creations come to life.

Celebrations & Special Days

MORNING ASSEMBLY ACTIVITIES

The morning assembly begins each day on a positive and meaningful note. It includes prayer, thought for the day, news reading , important announcements and the national anthem . Students actively participate in speeches, quizzes, poems, songs and cultural presentations. Special assemblies are organised to celebrate important national and international days. Awareness activities on cleanliness, environment, health, cyber safety and good values are also conducted. These activities encourage students to stay informed and develop confidence, discipline and communication skills. The assembly provides a platform for students to showcase their talents and creativity. Overall, the morning assembly creates a positive learning environment and prepares students for a productive day.

VIDYA PRAVESH
2026-27
(A Joyful Beginning To A Bright Journey

Vidya Pravesh marks the joyful beginning of a child's formal schooling. Through fun-filled activities, games, storytelling, songs and creative learning, young learners become familiar with their teachers, classmates and school environment. The programme creates a safe, happy and welcoming atmosphere, helping children begin their educational journey with confidence, curiosity and enthusiasm.

INTERNATIONAL YOGA DAY

International Yoga Day 2026 was celebrated with great enthusiasm to promote physical fitness, mental well-being and inner peace. Students and teachers participated in various yoga asanas and breathing exercises, learning the importance of maintaining a healthy and balanced lifestyle. The celebration encouraged everyone to make Yoga a part of their daily routine.

SCOUT AND GUIDE

Guides participating in Scout and Guide activities during the testing programme.

Guides with the Escort/Guide Teacher during the Scout and Guide programme.

The Bharat Scouts & Guides unit of Kendriya Vidyalaya CHATRAPUR plays an important role in the holistic development of students by fostering discipline, leadership, self-reliance, teamwork, courage and the spirit of service. During the academic session 2026–27, the unit continued to provide students with meaningful opportunities to learn through practical activities, training, testing programmes and camps.

The Bulbuls also actively participated in the Heerak Pankh Testing Camp at KV No. 5, Bhubaneswar. Their participation gave them valuable exposure to testing, skill development, teamwork and the spirit of adventure and service. Such programmes encourage young learners to become confident, responsible and self-reliant

A major highlight of the session was the participation of Guides from Kendriya Vidyalaya CHATRAPUR in the Tritya Sopan Testing Camp at PM SHRI KV No. 1, Balasore. The camp provided the Guides with opportunities to demonstrate their practical knowledge, discipline, teamwork and Scout-Guide skills in a structured testing environment.

NATIONAL SPORTS DAY

National Sports Day was celebrated on Aug 29 2026 with great enthusiasm to highlight the importance of sports, fitness and a healthy lifestyle. Students actively participated in various sports and physical activities, showcasing their team spirit, discipline and sporting talents. The celebration inspired students to make sports and fitness an integral part of their daily lives.

UTKAL DIVAS

KV Chatrapur celebrated Utkal Divas with great pride and reverence, commemorating the formation of Odisha. The programme began with a floral tribute to the great leaders whose sacrifices and contributions paved the way for the creation of Odisha as a separate state. Students delivered an engaging Odia speech, participated in an informative quiz, and presented vibrant cultural dance performances that beautifully reflected the rich heritage, traditions and spirit of Odisha.

WORLD ENVIRONMENT DAY

World Environment Day is observed every year on 5 June to create awareness about the importance of protecting our environment. The day reminds us that a clean and healthy environment is essential for a better future. Students were encouraged to plant trees, conserve water and electricity, and keep their surroundings clean. They were also motivated to reduce the use of plastic and follow the principles of Reduce, Reuse and Recycle. Various activities helped students understand the importance of nature and biodiversity. The celebration encouraged everyone to adopt eco-friendly habits in their daily lives.

Festivals & Cultural Activities

INDEPENDENCE DAY

Independence Day is celebrated every year on 15 August to commemorate India's independence and honour the sacrifices of our freedom fighters. The day fills every Indian with a sense of pride, unity and patriotism. Schools celebrate the occasion with flag hoisting, patriotic songs, cultural programmes and inspiring speeches. Students participate enthusiastically and learn about the values of freedom, responsibility and national unity. The celebration reminds us that our nation's progress depends on the honesty, dedication and responsible actions of its citizens. It encourages young minds to respect our country and contribute positively to its development.

हिंदी माह समारोह : राजभाषा हिंदी का गौरव

हिंदी केवल हमारी अभिव्यक्ति का माध्यम नहीं,
बल्कि हमारी सांस्कृतिक पहचान और राष्ट्रीय एकता
की सशक्त कड़ी है।
हिंदी माह के अंतर्गत विद्यालय में विविध
गतिविधियों के माध्यम से हिंदी के प्रति प्रेम, सम्मान
और प्रयोग की भावना विकसित की गई।
विद्यार्थियों ने उत्साहपूर्वक सहभागिता करते हुए
हिंदी की समृद्ध विरासत और उपयोगिता को जाना।
"हिंदी का सम्मान—राष्ट्र का सम्मान।"

Vigyan Pratibha – Organised by NISER

Our school had the privilege of hosting the Vigyan Pratibha programme, organised by the National Institute of Science Education and Research (NISER), Bhubaneswar. The programme encouraged students to explore Science and Mathematics through observation, experimentation, discussion and critical thinking, going beyond conventional textbook learning. Students actively participated in engaging activities and learning experiences that helped them develop curiosity and a deeper understanding of scientific concepts. The programme provided a valuable opportunity for young learners to question, investigate, analyse and discover, inspiring them to develop a scientific outlook and an interest in pursuing science related fields.

Digital Classroom👀👂👃✋
Learning Through Smart board

Class 1 students will be able to identify and use basic digital devices, perform simple mouse and keyboard activities, and use digital tools for learning letters, numbers, shapes, and colours. They will develop creativity, problem-solving skills, digital awareness, and safe and responsible use of technology.

THANK YOU...
