Subject:- Regarding "fire fighting arrangement (Down Comer System) for administrative building, Main building and secondary block of PM SHRI KV NO 01 Salt Lake, Kolkata"

Reference letter no:- F.25116/KVSL-1/2023-24/320

Respected sir

With the reference of above cited subject I want to draw your attention toward work "fire fighting arrangement (Down Comer System) for administrative building, Main building and secondary block of PM SHRI KV NO 01 Salt Lake, Kolkata". The work had started in year 2021-22 in vidyalaya and amount sanctioned for work was RS 34,48,883. On physical execution of work, CPWD submitted revised PE Rs 49,05,819 (Rs 14,56,936/- extra) due to some deviation in scope of work. They pointed out that initially provision of manual fire alarm, signage and portable fire extinguisher has not kept in original PE, which are very much mandatory for getting fire safety NOC from competent authority.

In this regard of revised PE of work, KVS (HQ) has asked for justification letter. We have written so many emails to CPWD for providing justification report but CPWD has not responded. So neither we are able to take handing over of previous work nor we are able to get revised amount for the work.

I therefore request you to please guide for further step as fire safety is very very important aspect for Vidyalaya.

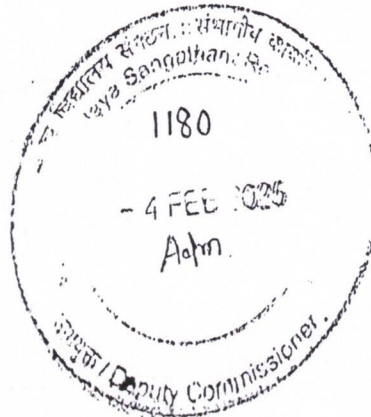

Thanking you

Yours faithfully

Sabiha Shahin
