

01.10.2024

Dear Sir/Madam

Greetings from National Institute of Agricultural Extension Management (MANAGE)

The School Soil Health Programme is a collaborative effort between various organizations, including DA&FW, DSE&L/MOTA, State Governments, ICAR/Krishi Vigyan Kendra, NABARD, Panchayat Raj institutions, NRLM/Krishi Sakhi, and ATMA. The program aims to provide advisory to farmers based on Soil Health Card (SHC) results through the involvement of students and Krishi Sakhis. As a participating school, your students will have the opportunity to learn about soil health, collect and test soil samples and contribute to the development of SHCs. This will not only enhance their knowledge but also enable them to play an active role in promoting sustainable agriculture practices in their community.

We are pleased to inform you that MoA&FW entrusted National Institute of Agricultural Extension Management (MANAGE), GoI under MoA&FW to conduct a survey as part of the School Soil Health Programme, an initiative aimed at educating students about soil health to foster awareness and a deeper connection to the mother Earth. Under this program your school also has been listed and participated in the program. Hence, we invite you to participate in this survey by filling out Google forms (**2 forms - one for teacher and one for students**). Teachers associated with this programme are requested to ensure at least 5 students from each batch to fill up the google form and submit. The link for the google forms are provided as below to facilitate with survey;

Links:

1. Google form link for teachers

2. Google form link for Students

<https://docs.google.com/forms/d/1tbmJgVAXnyexWA4sIiiWme1atOLD1PYvLytBqNWIU/edit?ts=66fa3305>

Please note that the survey is an essential component of the program and your participation will contribute significantly to its success. We appreciate your cooperation and look forward to receiving your response on or before 07.10.2024. The state wise list of officials from MANAGE has been attached at Annexure 1 for coordination and to facilitate with survey activity. If you have any questions or concerns, please reach out to respective officials for clarifications.

Anticipating your active participation and co-operation.

With Kind Regards

(N. Balasubramani)
