PRINCIPAL'S NOTE

MR. RAKESH KUMAR

Dear Parents, Teachers, and Students,

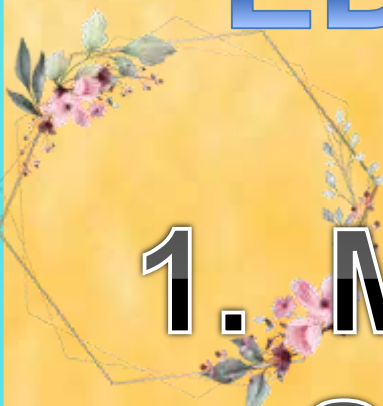

It gives me immense pleasure to present this new edition of our newsletter, which reflects the efforts and accomplishments of the session 2025–26.

The primary objective of KVS is to encourage experimentation and innovation in school education and to pursue excellence in all spheres of learning. KVS upholds the objectives of the National Education Policy (NEP) 2020 through Foundational Literacy and Numeracy (FLN). This newsletter is a medium to showcase the achievements of our students while highlighting the multifarious activities conducted to ensure their cognitive, social, emotional, and physical development. I extend my heartfelt gratitude to our editorial team, all the dedicated teachers, and my dear students for their sincere efforts and valuable contributions. I wish you all a bright and prosperous journey towards education and excellence.

**With warm regards,
(Principal)**

Classroom Activities

Classrooms came alive with curiosity and creativity! Students participated in interactive sessions, storytelling, art integration, and hands-on experiments. These daily classroom engagements helped enhance confidence, communication, and collaborative learning.

NIPUN BHARAT

FLN and Experiential Learning

Under the NIPUN Bharat initiative, children took part in activities designed to strengthen foundational literacy and numeracy. Teachers incorporated joyful games, reading corners, and practical exercises to make learning foundational skills exciting and effective.

CUBS AND BULBUL

The Cubs and Bulbul team displayed great enthusiasm and discipline in all their activities. From flag ceremonies to community service and skill-based games, our young scouts showed teamwork, kindness, and leadership. Their cheerful participation reflected the true spirit of scouting.

Toy Lab Activities

Learning through play made classrooms lively and engaging. Teachers used a variety of educational toys, puzzles, and models to help children understand concepts through exploration and creativity. This joyful approach made learning both fun and meaningful for every child.
