Fun in The Zoo

Monkeys hop, and parrots fly

Turtles swim, and Tigers run.

Giraffes look tall, and Hippos are heavy

Zebras are Swift, and Baboons are fun.

We see these animals in the zoo ,

They love to play.

And love to say, would you join us and play.

The Spring (Poem)

Every spring in the fields ,
Flowers bloom innocently
To entice passerby -
With beauty and sweet fragrance.

Some Hurry, round to see
Some Hurry, round to smell
And some Hurry, round to soothe
While a few round from broken flowers.

Each leaf falls looking serene,
But still bursting with joy
Share with loved ones,
Of the pleasant flowers and field
They encountered .

Teacher

Thankyou, Teacher,
For reaching deep in me
To find all, I can be
Before I can see it myself.
You never give up on me
I have a future, because of you.

Nature

Save tree , save nature

Don't cut tree, Don't use plastic

Use paper bags, it's recyclable.

Save water, save nature

Don't waste water, its our future .

In the future, we don't have water.

Harsh Truth of Life

The life that we live is not an easy story
It has many climaxes and many conclusions.
The life that we live is very hard
A story that has been told and come true
Sometimes it gets turn around
And then other time it is just like a flow.

Life is not a person, never easy
So treat it like it's a baby
Nothing in it might be fun.
But don't late your story, be quickly done.
The life that we live is sometimes bad
And sometimes good
It can be normal .
Or it can be totally different
The life that we live is so harsh
That to be told over and over again.

People change and things go wrong
Just remember that life goes on.
