

Cyber Awareness Campaign at PM SHRI KV Puri

Date: 12 August 2026

PM SHRI Kendriya Vidyalaya Puri organized a **Cyber Awareness Campaign on 12 August 2026** to educate students about safe and responsible use of digital technology. Students were sensitized about **cyber threats, phishing, strong passwords, online scams, cyberbullying, protection of personal information, and safe social media practices.**

The campaign encouraged students to follow safe digital practices, think before clicking on links, avoid sharing personal information, and report suspicious online activities. The programme promoted **cyber safety and responsible digital citizenship** among students.
