Under the aegis of Eco Club for Mission LiFE, we resolve to practise mindful and deliberate utilization of resources to reduce the carbon footprint to the best of our ability through experiential learning as part of Education for Sustainable Development (ESD). We commit to inform ourselves as well as fellow students and the community about environment friendly practices and adopt environmentally responsible behaviour. Towards this end, we shall undertake the following activities:

- *Adopt Healthy Lifestyle: Encourage healthy and sustainable choices to promote sustainability.*
- *Adopt Sustainable Food Systems: Take action to reduce food wastage to reduce greenhouse gas emissions.*
- *Reduce e-Waste: Take action to reduce E-waste; ensure proper disposal and recycling of the same.*
- *Reduce Waste: Take action to adopt the 3 Rs; reduce waste; encourage segregation and responsible disposal.*
- *Save Energy: Educate and implement practices that reduce energy consumption to reduce carbon footprint.*
- *Save Water: Promote efficient water utilization and conservation measures to meet the needs of present and future generations.*
- *Say No to Single-Use Plastic: Take action to reduce single-use plastic to create more sustainable and resilient future for all".*
