MESSAGE FROM PRINCIPAL'S DESK

“He who learns but does not think is lost. He who thinks but does not learn is in great danger”

Life is a journey and it is all about learning new things every day. From the primary to senior secondary level, we bestow holistic education, immense learning experience, and another academic quest most innovatively and progressively. To achieve the aim of NEP 2020 our teachers always strive to make learning more fruitful through a joyful experience. It has been our earnest endeavor to project the newsletter as a showcase of the efforts and achievements of our students.

With Best Regards
