RESOURCE ROOM

PLANNED COMPREHENSIVE USE OF DIGITAL LIBRARY (IN PROGRESS)

- ▶ E-libraries bring several advantages, including cost-effectiveness, as they eliminate the need for physical copies of materials, and space-saving, as digital content does not require physical storage space.
- ▶ Additionally, e-libraries facilitate swift and efficient information retrieval through advanced search functionalities.
- ▶ This digital format is particularly beneficial for Students, Teachers & Principals.
- ▶ The students who demand timely access to the latest information and resources relevant to their respective fields of study or work can now have an access to vast & verified information.

DIKSHA / SWAYAM / PM E-VIDYA / TARA APP /
APAAR / E-JAADUI PITARA / UDISE / PRASHAST /
SAMAGAM / SKILL SATHI / AUROSCHOLAR / PROJECT
INCLUSION / STEM

- ▶ Teachers use available resources on diksha, Swayam, PM e-Vidya channel and students are also informed about the various schedules and academic provisions available on these portals.
- ▶ Teachers are taking online classes under Academic Loss Compensation Programme wherever needed.
- ▶ All the above mentioned portals are being updated and utilized properly as and when required.

ICT IN ENHANCING LEARNING AND ASSESSMENT

- ▶ Use of E-content in the regular periods to enhance learning pace and interest.
- ▶ Solving the Sample papers in the Classes with the use of E-classrooms.
- ▶ Study Material provided by KVS RO Chandigarh, Sample Papers provided by CBSE has also been shared in all the official social Group of Classes and it is being used in Structured Revision.
