

Community Participation

K.V no 2 Sohna Road Gurugram, organised Community lunch for all the classes,

Primary as well as secondary. Every year it is organised to promote team work and harmony among students. Students from Class 1 to 10 participated in it whole heartedly. The stalls were put up in the school ground and students sat in the ground in rows. They had brought food items of their states and relished the Food of other states together.

It Developed team spirit and harmony among students. It was an enjoyable day for students as they got a chance to eat food of different states along with their teachers. The theme of the community lunch was to bring healthy homemade food items. Overall it was a fun filled day for students.
