VIDYAPRAVESH

A Joyful Beginning to Lifelong Learning

What is Vidyapravesh?

Vidyapravesh is a school preparedness programme designed for children entering Grade 1.

It focuses on a joyful transition from home to school by making learning welcoming, engaging and meaningful.

Aims of Vidyapravesh

- To ensure a joyful and stress-free transition from home to school.
- To help children feel safe, welcome and connected in the school environment.
- To develop social, emotional and foundational skills through play and interaction.
- To spark curiosity and build a positive attitude towards learning.
- To lay a strong foundation for lifelong learning and holistic development.

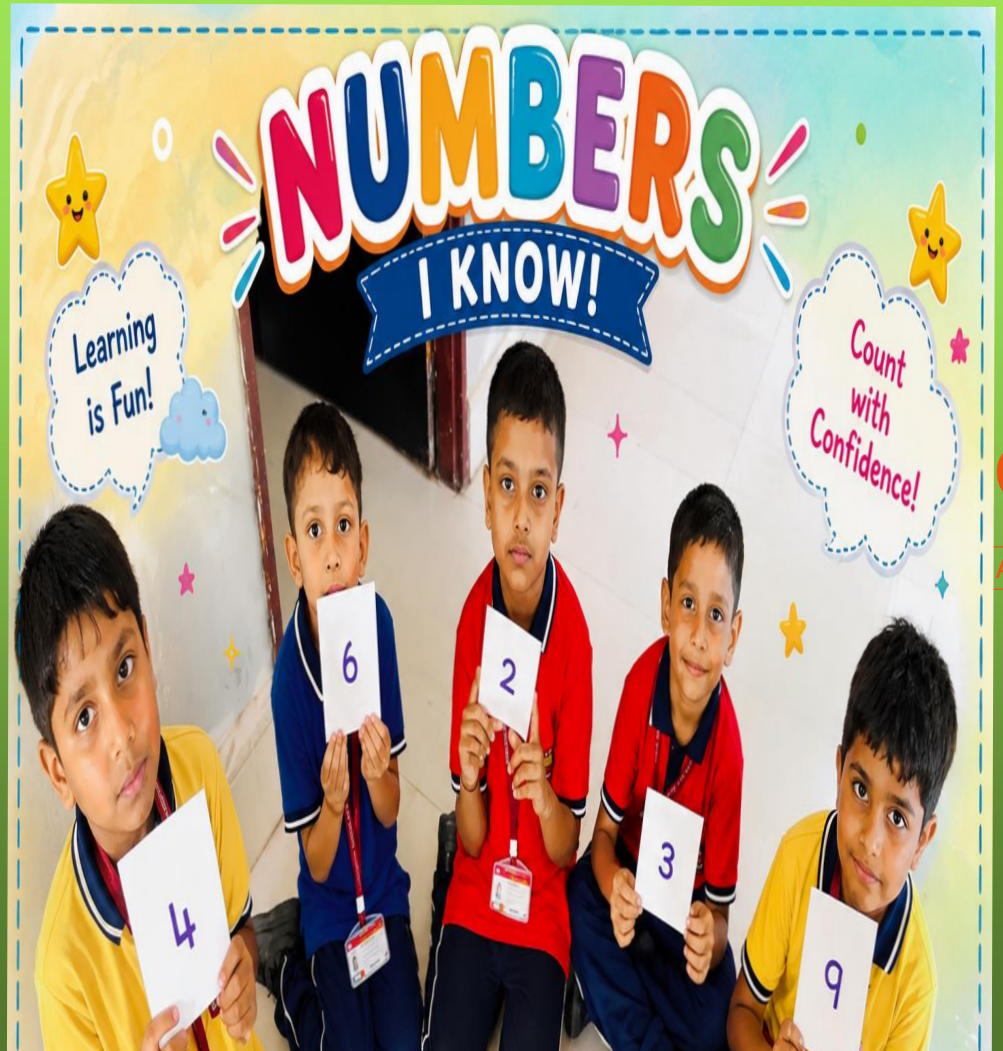

"Every child is unique. Vidyapravesh nurtures every young mind with care and joy."
