Key Findings & Recommendations

• **Excellent overall outcome:** all 88 students passed, achieving a 100% pass rate.

• **Commerce led average performance** at 77.6%, followed by Science (75.9%) and Humanities (74.0%).

• **46 students scored 75% or above**; targeted enrichment can help more students reach distinction-level performance.

• Review subject-wise grade distribution to identify learning gaps, especially in subjects with larger concentrations in lower grade bands; provide remedial support and regular progress checks.
