COMMISSIONER'S MESSAGE

केन्द्रीय विद्यालय संगठन की हीरक जयंती के अवसर पर आप सभी को हार्दिक शुभकामनाएं। शिक्षा के लिए समर्पित साठ वर्षों की यात्रा का यह उत्सव हम सभी के लिए अत्यंत हर्ष का विषय है, और हम सबको कृतज्ञता के भाव से भर देता है। हमें गर्व है कि हम सबने विद्यार्थियों के सर्वांगीण विकास में अपना हरसंभव योगदान दिया है।

हीरक जयंती सिर्फ इन 60 वर्षों के सफर का ही नहीं, अपितु यह हमारे शिक्षकों, कर्मचारियों, और विद्यार्थियों के समर्पण एवं परिश्रम का परिचायक है। एक संस्थान के रूप में केन्द्रीय विद्यालय संगठन शिक्षा के क्षेत्र में एक दीपक की भांति प्रकाशित है। यह हमारे लिए अत्यंत गर्व का विषय है कि 60 वर्षों की इस दीर्घ यात्रा के दौरान हमारे केन्द्रीय विद्यालय अनगिनत जिंदगियों में सकारात्मक बदलाव लाए हैं।

संगठन की इस अद्भुत सफलता के पीछे हमारे शिक्षकों, अधिकारियों और सभी सदस्यों का बहुमूल्य योगदान रहा है। आपके संघर्ष, समर्पण और साझेदारी के बिना, यह सफलता संभव नहीं थी। आज हम गर्व से यह कह सकते हैं कि हमने उस संकल्प को सफलता की ऊंचाइयों तक पहुंचाया है जिसे लेकर केन्द्रीय विद्यालय संगठन की नींव रखी गई थी। इस संगठन ने सर्वदा विद्यार्थियों का एक बेहतर भविष्य की दिशा में मार्गदर्शन किया है। आज, जब हम पीछे मुड़कर देखते हैं तो संगठन के प्रत्येक हितधारक के समर्पण और सहयोग का आभास होता है।

सफलता के इस शिखर तक पहुंचने में केन्द्रीय विद्यालय संगठन से जुड़े प्रत्येक सदस्य का योगदान सराहनीय है। मैं केन्द्रीय विद्यालय संगठन के इस स्वरूप को गढ़ने के लिए अपने वर्तमान और पूर्व शिक्षकों को विशेष रूप से हार्दिक बधाई देती हूँ।

मेरा दृढ़ विश्वास है कि सेवा और समर्पण का यह सफर अनवरत जारी रहेगा।

अनेक शुभकामनाओं सहित,
15 दिसंबर, 2023

FROM THE DESK OF PRINCIPAL

“Education is kindling of a flame, not filling a vessel”

Today's world is the time of tectonic shift from rote learning to experiential learning and skill development. We need to develop 21st century skills among our children to enable them to perform at Global level. We should ensure to give wings to our children not only to fly high in the sky but to create their own skies. NEP 2020 has changed the very landscape of education by incorporating FLN, NIPUN BHARAT, VIDYA PRAVASH TOY BASED pedagogy and by changing the very structure of education from 10+2 to 5+3+3+4. A child requires to be nurtured at physical, mental, social, cultural and spiritual level.

It becomes our moral and religious responsibility to cater the changing needs of our learners. I would like to appeal to all my teachers to create the learning atmosphere in their respective class rooms which must nurture the innate talent of our children and ensure their holistic development. As a pedagogical leader, I assure you all to create learning environment in the Vidyalaya and to provide equal opportunities to all the stakeholders to grow professionally. Teachers should work with harmony and cooperation and spread positive vibes among their students by working in great synergy with their colleagues. I am glad to have highly intellectual teachers who work relentlessly to achieve the desirable goals of education. The unfortunate covid era has transformed the very process of teaching and learning. Every day new challenges are there, they are there to make us more capable and innovative. Every challenge motivates us to toil harder and reach to the higher pedestal of success.

It is known to all that the Kendriya Vidyalaya Sangathan is a pace setter organization in providing quality education to all the students without any discrimination. I am confident that under the able guidance of our patrons and with the combined efforts of teachers, we will definitely evolve everyday to a better version of our own self and reach to the pinnacle of success.

I am sure that my team of Kendriya Vidyalaya Subathu will leave no stone unturned to channelize the energy of our young boys and girls in positive and constructive direction so that they can be the contributing citizens of this nation.
